

Mayor of Collins Chabane Local Municipality, Cllr Shadrack Maluleke has encouraged learners of Mudinane Secondary School in Vuwani Ha Vhangani village to continue working hard and achieve best results like they have been doing in the last few years. Mayor Maluleke visited the school, which is popular for producing the best results and has further produced more bachelors. Mayor Maluleke said visiting the best performing schools does not mean that schools that are performing badly are not being given the necessary attention and encouragement but it is also important to recognize the excellence that exists in the Municipality. The Mayor will tomorrow visit Msengi high school at N'wa-Matatani and will sum up his day by visiting Tiyani Secondary school at Magoro village.
