

Mayor Shadrack Maluleke embarks on a back to school campaign in Vuwani, Muthurwana secondary school at Sundani village: “We understand as a government this exercise is especially important in that it shows how much we care, that we are indeed concerned about what is happening at our schools and that we want to see both the teachers and learners succeed”, said Mayor Maluleke during his visit. As part of supporting the spirit of learning and encouraging learners to pursue education and make it their foremost priority to finish school, the Mayor Maluleke also handed out a brand new laptop to a top achiever learner who was recently awarded a Mayoral bursary and a trophy during the mayoral annual awards for top learners. The Mayor was accompanied by the Speaker of the Municipality Cllr Thina Mbedzi together with members of Executive Committee. #MakingEducationFashionable
