

The Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke attended Mass funeral service of the 12 members of the International Assemblies of God who lost their lives in a horrific collision involving two heavy-duty trucks and a minibus taxi on the R81 Road at Ga-Sekgopo on the 28th of September. ““A veil of sadness, darkness, and grief has covered the beautiful area of Collins Chabane Local Municipality, an area that is known for its resilience and survival.

But still, we know that the rainbow of hope will rise from the clouds to keep our hope burning for a tomorrow that is better than today,” said Mayor Maluleke. We thank the provincial government led by Premier Phophi Ramathuba for assisting to give our fallen citizens this dignified send-off. We thank all the government departments who have assisted the bereaved families with assistance, with food parcels, and with counselling and thanks to all the municipality officials and councillors for your efforts. In times like this, it is a great comfort that we have come together to stand with the families and give them our support. The Mayor concluded his remarks by calling on all citizens to unite and work together in times of crisis.
