

The Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke has today delivered a keynote address during a prayer session organized by Mphambo Traditional Council, Local Pastors, churches and Mphambo High School management to pray and motivate learners for the Exams as they continue with their Trial exam. The role of the prayer was to encourage and motivates learners. “ This prayer Day has come in the opportune time as we grapple with the daunting task of making the life of our people better and as students are preparing for the Trial Examinations. It is true that our human intelligence has limitations but the omnipotence of God is limitless and is therefore all-conquering,” said Mayor Maluleke.
