Collins Chabane Local Municipality launched traffic police unit with high spirit. Municipal Law Enforcement Officers and Traffic Officers gathered in uniform at Malamulele stadium 27th of November 2018 and demonstrated through parade and displaying on new fleet for the public. During the exclusive parade, Local Former Mayor, Cllr Tintswalo Joyce Bila and members of the Executive Committee as well as the officials of the municipality inspected and blessed the occasion as they official hand launch municipality traffic.

The parading traffic officers led by Chief Traffic Officer, Gezani Russia Manganyi displayed their salutations and moves to the leadership as part of thanking the Polokwane Council for the token of appreciation given to them as employees.

Former Mayor Bila complimented the men and women in blue before outlining the purpose of the day. She said the law enforcement officers and traffic officers are representing the ability of rendering better services in transport sector as a whole. "This is a clear example of the working municipality which is ready to hit the ground and work for its people. This is a celebration to our residents because they will drive safely and this should work as a way of easing the stress levels that you encounter on the roads when dealing with different characters of people", she said.

The Former Mayor and members of executive Committee also proceeded to Malamulele Taxi Rank where they engaged with motorists and pedestrians about practising safe journeys when driving and walking at all times
