

IMPROVING THE STATE OF ROADS IN COLLINS CHABANE.

MEC Dickson Masemola , Executive Mayor of Vhembe Cllr Dowelani Nenguda, Collins Chabane Mayor Cllr Moses Maluleke and Makhado Mayor Cllr Samson Munyai at Mtsetweni Village today during of launch of Ntsima-ndleleni Labour Intensive Roads Revitalisation and Job Creation Programme

The state of roads in Limpopo province has been worrying for a significant period, and was exacerbated by the heavy rainfalls and floods that occurred in the beginning of 2021. This refers to the entire roads infrastructure network; which includes gravel and tarred roads as well as bridges.

This is an initiative that seeks to create a platform for communities to work with their government in improving the state of their roads, and promote active citizenry as well as shared responsibility over public property, whilst bettering the lives of the people.
