

COVID-19/ MAYOR DONATES RELIEF ITEMS.

Collins Chabane Municipality under Mayor Moses Maluleke has today distributed Sanitizers, hands gloves and Face-masks including water to all Covid-19 Joint Operations Centres within Collins Chabane as part of fighting the spread of Coronavirus.

The Municipality will continue identifying ways to improve the spread of Coronavirus and making sure that all its residents are attended to and receive the best service.

The Municipality will be working within its all centers together with the Provincial government and all stakeholders until this pandemic cease to exist.

Unity in Service delivery.
