

Mayor of Collins Chabane Local Municipality Cllr Shadrack Maluleke will tomorrow join Human Settlements and Traditional Affairs (CoGHSTA), MEC Basikopo Makamu during the handover of newly built houses to two destitute families at Mavandla and Xitlhelani Villages, Collins Chabane Local Municipality. Mr Wilson Munyai (28) and Mrs Sabina Tembe's (67) families are some of the 428 beneficiaries within the municipality to receive proper housing and shelter as enshrined in the South African constitution. The two beneficiaries had been living in small houses built of low-quality material that were prone to cave in and imminent collapse before obtaining RDP houses that they can be proud of. #ServiceDelivery
