“One cannot explain the feeling of losing a child. Our Exco member Cllr Mavikane has been a true champion of service delivery in Collins Chabane hence our immediate reaction after we received such a disturbing news and we are here as the Government of Collins Chabane and District Municipality to come and support our colleague. It is indeed sad that Cllr Mavikane lost a family member, a son, while he was still expecting a lot from him ,” Mayor Maluleke said.

“On behalf of the Municipality Council, I like to send a heartfelt condolences to the bereaved family. The death of a child is emotionally draining on a parent, and I cannot even begin to imagine the anguish that the family is going through. I wish the family and friends strength during this difficult time. We have lost a dedicated young man who was committed to serve our Country as a member of South Africa Police Service. May Reddick's precious soul rest in eternal peace,” concluded Mayor Maluleke.

The Mayor will again join other government officials on Saturday as the family lay their beloved son to rest.
