Collins Chabane local Municipality led by the Mayor, her worship Cllr Tintswalo Joyce Bila took to the Mayoral Imbizo at Mulezhe Traditional Council in Mulenzhe Village just outside Malamulele on the 19<sup>th</sup> of October 2019. Mulenzhe village falls under ward 19.

The Municipality representatives was very pleased by the number of people attended the event and is also considered as one of the successful event.

According to the Mayor Bila, the Municipality has allocated 30 housing units for ward 18 and 19 during the 2018/19 financial year and the construction will be commencing once the province is done with the beneficiary verification. The Municipality is in good standing to work with people under Mulenzhe Traditional Council.

“as the Municipality, we are ready to fight poverty by bringing good service delivery to the people. We will make sure that in each and every community which falls under Collins Chabane local Municipality we give full support to poverty stricken families,” Said by Chief Ramovha.

The Mayor Bila further highlighted that the Municipality is going to install one Apollo light in each and every village per ward to reduce crimes that usually occurs at night.

The Traditional leader, Chief Jeffrey Ramovha applauded the Municipality for visiting its people at Mulenzhe village.

“I’m very happy by the visits of the Municipality to check up on its people. In all my communities, people are very ready to work hand in hand with the Municipality to reduce poverty in our communities,” said by Chief Ramovha.

The Chief Ramavhoya also urged community residents and the Ward councillor Vho-Munyai to work together with the Municipality in order to identify the needy families.
