Volunteers from Ward One, Two, Three, Four, Five and Six dedicated their time to clean up part of Hlanganani areas under Collins Chabane Local Municipality.

The acting mayor of Collins Chabane Municipality Cllr Shadrack Maluleke led a group of volunteers to a successful clean-up campaign which was held in Hlanganani.

The acting mayor was joined by local traditional leaders from ward One up to Six. The acting mayor also urge the community to start the clean-up campaign starting from their surroundings areas to the central part of the town.

“When we wake up every day, we must make sure that our areas are clean and we must not allow people to pollute our areas while we are watching”, he mentioned.

Mr Tshabuse from the Department of Environmental Affairs spoke about the impact of waste on environment and human health, stating that everyone has the right to live in a healthy environment.

“It is within our concern to always make sure that we keep our areas since this will enable us to live healthy life far from sickness and polluted environment”, he said.
