### DRAFT IDP 2021/22 FINANCIAL YEAR

## FOREWORD BY THE MAYOR

The *Integrated Development Plan* 2021/22 provides a noteworthy reflection of plans and achievements of our Municipality, particularly those related to its cherished endeavour to address the triple challenge of inequality, poverty and unemployment by 2030, as guided by the National Development Plan (NDP).

Government continues to work tirelessly to address these challenges, including the historical exclusion of black people from economic opportunities, in order to ensure a better life for all.

It is for this reason that this current IDP and Budget must and will be externally focused, driven by community needs and geared towards meeting community aspirations gleaned from stakeholder consultations and engagements throughout the past years.

In order to deal with the envisaged growth in our economy, Local Economic Development (LED) strategy must be aligned to the National Development Planning (NDP) which is the vehicle for a better life for all and blueprint to a better Collins Chabane Municipality and ultimately, a better South Africa.

Local Economic Development and planning is the lifeblood of this Municipality as it allows for development enrichment of the Municipality through its mandate to bring economic opportunities and growth to the Municipal periphery.

As a Municipality, we have committed ourselves to the following key deliverables:

- Local government offices have to become more effective in meeting the needs of the citizens,
- Sporting and recreational facilities must be built.
- Local services like waste removal must be improved.
- Free basic services must be provided to communities and;
- Water and electricity must be accessible.

Our IDP, in its strategic thrust, gives expression to our first generation Growth and Development Strategy, which is for the holistic development of the Region. Alignment of the two with the 2006 Election Manifesto, which is the guiding light of the Municipality, finds expression in the projects entailed in this document.

In this final thrust, in the year before the next elections, we are committed to deliver without fail on these programmes. It is through the projects as reflected in the IDP, that we seek to leave a lasting legacy to the communities of Collins Chabane, which will set the tone for a caring, peoplecentred, people-driven and developmental local government for generations to come.

As we continue on our march to deliver on our Manifesto commitments, we pledge ourselves to continue to work with our people to leave no stone unturned in fulfilling our objectives by accelerating and doubling our efforts to bring about a better life to all our people. We will do so

## **DRAFT IDP 2021/22 FINANCIAL YEAR**

in an accountable and ethical manner.

The leadership of Collins Chabane is dedicated to working tirelessly until we look back with pride when our political term is completed in 2021 as the first Council of the Municipality. The Qualified Audit Opinion we received from the Auditor General in our first financial year (2016/2017) of office was achieved out of the confidence, commitment, unity and loyalty by both politicians and administrators of the Municipality.

**Mayor: Collins Chabane Local Municipality** 

### DRAFT IDP 2021/22 FINANCIAL YEAR

## FOREWORD BY THE MUNICIPAL MANAGER.

The Local Government: Municipal Systems Act No. 32 of 2000 mandates Municipalities to undertake developmental oriented planning, so as to ensure that they achieve their constitutional obligations as outlined in Section 152 and 153 of the Constitution. The IDP is therefore informed by National and Provincial government priorities, goals and socio-economic trends as required by the communities. The Collins Chabane Local Municipality's Integrated Development Plan serves as a strategic tool that guides the Municipality's planning and budgeting. The IDP reflects capital projects based on needs and priorities as identified by various wards.

Municipalities operate in a dynamic environment that is ever changing resulting in emergence of needs and priorities from time to time. For this reason, the Municipality is set to review the IDP annually while taking into consideration the factors that lead to such changes. It is also important to note that some needs and priorities raised by communities could not be captured in this IDP since they do not fall within the mandate of the Municipality.

However, It is the aim of the Collins Chabane Local Municipality to address needs and priorities raised by the communities in order to execute satisfactory service provision as mandated by the Constitution.

We therefore remain resolute in our dedication to tirelessly resolve service delivery challenges facing the Municipality.

MUNICIPAL MANAGER

### **CHAPTER 1: INTRODUCTION**

### 1.1. EXECUTIVE SUMMARY

The Constitution of the Republic of South Africa commits government to take reasonable measures, within its available resources to ensure that all South Africans have access to adequate housing, health care, education, food, water and social security. To this end Chapter 5 of the Municipal Systems Act, 2000 prescribes that a municipality must undertake developmentally oriented planning to ensure that it achieves the objects of local government as set out in the Constitution.

It is a five-year strategy, with an ultimate objective of improved service delivery and betterment of its community. The IDP as a strategic development plan is reviewed annually to guide all development in a municipal area and inform municipal budgeting and resource allocation. The planning process has been guided by a Council approved IDP Process Plan. The Draft IDP provides key basic service delivery challenges in areas that have been prioritised for 2021 - 2022 financial years and is reviewed annually. It is also based on the multi-year approach principle to enable Municipal Council to have a multi discipline budgetary process.

The process seeks to ensure vertical and horizontal integration between the Municipal planned intervention with the planning efforts of National and Provincial spheres of government as well as within the various sectors of government. The Collins Chabane Local Municipality Integrated Development Plan (IDP) is the primary strategic planning tool which guides and informs all planning, budgeting, management and decision making for the Municipality.

The Municipality has a number of challenges which form part of the priorities in the medium-term and certainly the Long Term Development Strategy. These are high poverty levels, Crime, Unemployment, back log of service delivery, capital funding as well as institutional capacity problems, skills shortage, high level of illiteracy, rural nature, HIV/AIDS epidemic and more certainly the lack of adequate access to basic services.

The world is faced with a deadly virus named the Coronavirus (COVID-19) and South Africa as a Nation is affected. The ongoing COVID-19 pandemic was confirmed by Minister of Health Zweli Mkhize to have spread to South Africa on 5 March 2020, with the first patient being a South African returning from Italy. On 15 March, the President of South Africa, Cyril Ramaphosa, declared a national state of disaster, and announced measures like immediate travel restrictions and the closure of schools from 18 March. On 23 March, a national lockdown was announced, starting on 26 March 2020. The national lockdown continued with levels uplifted from level 5 to level 1. On Monday the 28 December 2020 due to the number of new cases reported wherein South Africa breached the one million mark of confirmed COVID-19 cases the president announced the movement from level one to adjusted level three until the 15 January 2021. On the 28 February the country due to the decrease on the number of reported cases was moved the country from level three to adjusted level one but still with few number of restrictions and wearing a mask as mandatory.

The challenges presented by COVID-19 to organizations, workers and consumers have been evident and severe. As we adjust to a 'new normal', organizations around the world are implementing new ways of working so as the Collins Chabane Local Municipality.

CCLM IDP is in line with the adopted Process Plan that was adopted by council in August 2020. It is also fully compliant to all the COVID-19 regulations without compromising the processes, community participation and Service delivery to the community. This document therefore, is the municipal draft Integrated Development Plan (IDP) of the Collins Chabane Local Municipality for the 2021 - 2022 financial years.

### 1.2. BACKGROUND

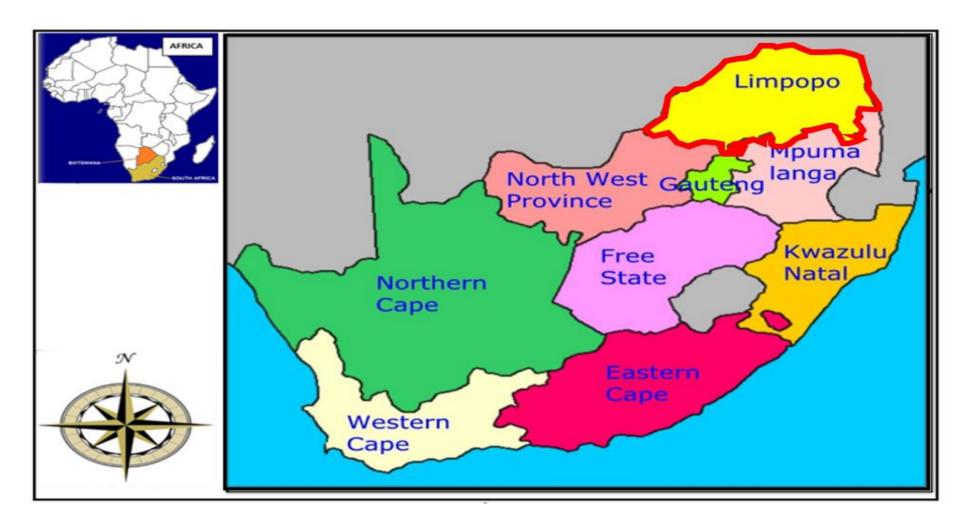

Collins Chabane Local Municipality (CCLM) is a Municipality which was established and came into effect on 3<sup>rd</sup> August 2016. It was established in terms of Section 12 of the Municipal Structures Act (No. 117 of 1998). The Municipality was formed by the amalgamation of portions of Thulamela Local Municipality and Makhado Local Municipality.

CCLM is one of the four Local Municipalities that constitute the Vhembe District Municipality. The Municipal jurisdiction area covers 5 467.216km² (22° 35´ S 30° 40´ E) in extent with a population of approximately 347 974 people. CCLM has approximately 198 villages and 4 Informal Settlements. There are only 2 proclaimed townships namely Malamulele and Vuwani. In terms of the surveyed settlements a total of 68 settlements have General Plans and it consists of 36 wards.

CCLM is surrounded by Greater Giyani Municipality in the South, Makhado Local Municipality on the West and Thulamela Local Municipality on the North. To the South-East the Municipality's borders extend to Mozambique and on the North-East is Zimbabwe through the Kruger National Park on the east. The Municipality is on the Northern part of Limpopo Province and is situated about 191km from City of Polokwane.

The Municipality has one node of District importance namely Malamulele and three other Municipal nodes which are Saselamani, Vuwani and Hlanganani. The Municipality is flanked by two dominant roads, namely the R81, connects the Municipality via Giyani to Mopani and Polokwane. The R524 connects the Municipality to Kruger National Park to the east and to its North the Municipality connects to Makhado and the N1 via Thulamela Local Municipality.

### 1.3. LEGISLATIVE FRAMEWORK

### 1.3.1. Constitution of South Africa Act (no. 108 of 1996)

The Constitution of the Republic of South Africa (Act 108 of 1996) is the supreme law of the country and fundamentally aims to protect human rights and promote democratic governance. The Constitution therefore provides for a new approach to government on National, Provincial and Local Government levels. The new Constitutional model redefines the relationships between the three spheres of government, by replacing the system of a vertical hierarchy of ties, with three overlapping planning process and sets of plans each relating to a different sphere of government. The focus of cooperative governance is however to ensure that scarce resources are used efficiently.

### Section 152 of the constitution of the republic of South Africa outline the objects of local government:

Provide democratic and accountable government to all communities;

Ensure the provision of services to communities in a sustainable manner;

Promote social and economic development;

Promote a safe and healthy environment; and

To encourage the involvement of communities and community organisations in the matters of local government

### 1.3.2. Municipal Systems Act (no. 32 of 2000)

In terms of the Local Government: Municipal Systems Act (no. 32 of 2000) requires that Municipalities draw up an integrated Development Plan (IDP), a strategic document, which all developments in a Municipal area are based upon. The IDP is the principal planning instrument that guides and informs the Municipal budget. It is a plan that does not only concentrates on other provisions of Municipal services, but also seeks to alleviate poverty, boost Local Economic Development, eradicate unemployment and promote the process of reconstruction and development.

# Chapter five (5), section 26 of the Act indicates the core components of an IDP and that such an IDP must reflect the following:

The Municipal council's vision for the long term development of the Municipality with special emphasis on the Municipality's most critical development and internal transformation needs.

An assessment of the existing level of development in the Municipality, which must include an identification of communities which do not have access to basic Municipal services.

The council's development priorities and objectives for its elected term, including its local economic development and internal transformation needs.

The council's development strategies which must be aligned with any National and Provincial sector plans and planning requirements that are binding on the Municipality in terms of legislation.

- ❖ A Spatial Development Framework (SDF) which include the provision of basic guidelines for a land use management system for the Municipality.
- The council's operational strategies.
- Applicable disaster management plans.
- The key performance indicators and performance targets determined in terms of section 41 of the MSA.

Section 34 of the Local Government: Municipal systems Act (no. 32 of 2000) provides for the annual review of the IDP in accordance with an assessment of its performance measurements and to the extent that changing circumstances so demands. The strategic objectives and targets contained in this document were reached subsequent to extensive systematic and structured internal and external consultation through Public Participation mechanisms with the community and stakeholders within the Collins Chabane Local Municipal area of jurisdiction.

### 1.3.3. Municipal Finance Management Act (no. 56 of 2003)

In addition to compiling an IDP, it is also a legislative requirement, in terms of the Municipal Systems Act and the Municipal Finance Management Act (2003) that the Municipality's IDP be reviewed on an annual basis. The aim of the review is to ensure that the municipal planning takes into account changing circumstances.

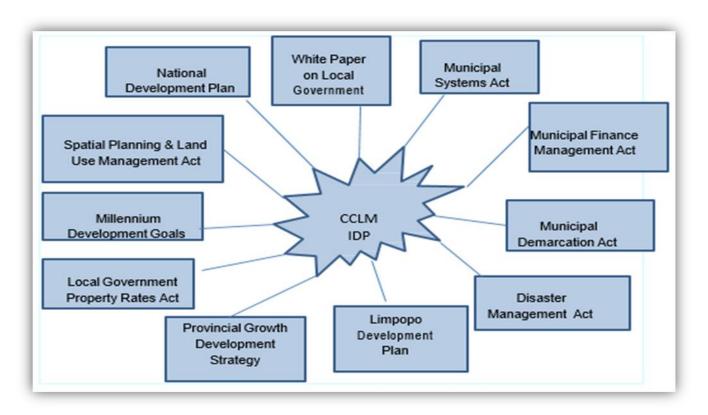

**Section 16(2):** of the LG: Municipal Finance Management Act (56 of 2003)- requires the Executive Mayor to table the budget at least 90 days before start of the financial year – 30 March every year.

**Section 24(1)** of the LG: Municipal Finance Management Act (56 of 2003) stipulates that approval of Annual budget by Council to be submitted 30 days before the start of the financial year to Council for consideration.

The IDP comprises a package of documents. Other documents and instruments that support the IDP include the municipal budget, the Service Delivery Budget Implementation Plan (SDBIP), various sector plans to support and direct the work of different functional areas of the Municipality, and ward plans.

The IDP process is predominantly guided by various legislations, policies and guides which were carefully considered when the document is compiled. These policies, guides and legislative frameworks include amongst others as outlined in the figure 1 below.

FIGURE 1.5.: Legislative framework

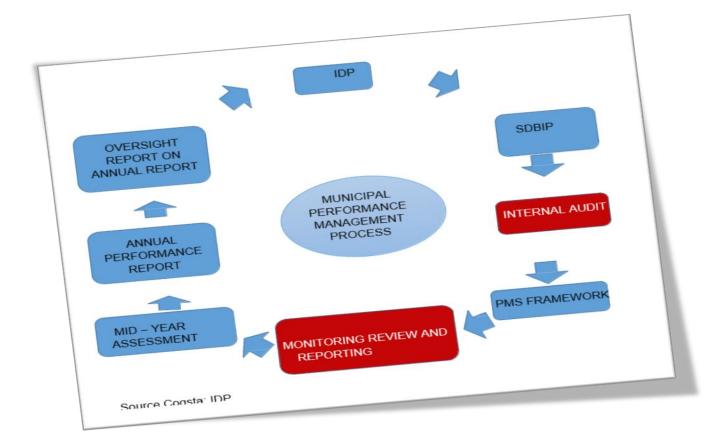

Source: COGHSTA

The IDP outlines: An analysis of Collins Chabane Local Municipal area, and current trends and issues.

- ❖ The National and regional policy context for preparing IDPs (NDP, LDP etc.).
- Communities' needs for service delivery as expressed through various engagements.
- The findings of various medium and longer term sector plans, as required by law and supporting and directing the work of different functional areas of the Municipality.
- The Municipality's overall strategy and way of work for the next five-years, including focus areas, predetermined objectives and activities.
- ❖ The Municipality's broad financial plan and planned allocation of resources.
- Related monitoring and evaluation activities over the year ahead.

# 1.4. PLANNING FRAMEWORK

FIGURE 1.6.: IDP Framework

## 1.5. POWERS AND FUNCTIONS

Table 1: Overview of the power and functions the Municipality has in terms of Section 84(1) of the Municipal Structures Act, No 117 of 1998, Section 156 of the Constitution of SA 108 of 1996 (Schedule 4 part B and Schedule 5 part B).

Table 1.1.: Powers and functions

| Key Roles / Functions   | Responsible                        |

### 1.6. INSTITUTIONAL STRUCTURES TO DRIVE THE IDP

In order to manage the drafting of IDP outputs effectively, Collins Chabane Local Municipality institutionalized the participation process thereby giving affected parties access to contribute to the decision-making process. The following structures, linked to the internal organizational arrangements will be established:

*IDP Steering committee* chaired by the Municipal Manager, and composed as follows: Senior Managers, Managers, Projects Managers, Technicians and Professionals.

*IDP Representative forum* chaired by The Mayor and composed by the following Stakeholder's formations "inter alia: Collins Chabane Local Municipality and the District Municipality, Governmental Departments i.e. (District, Provincial and National Sphere's representatives), Traditional leaders, People with disability, Parastatals, NGO's and CBO's, Pastors forum, Traditional Leaders, Sector Departments, Youth, CDW's, Ward Committees, Youth Structures, Business Forum, Women's Structures.

*IDP Clusters* chaired by departmental Senior Managers and composed of experts, officials, and professionals from all spheres of government: Governance and Administration, Economic, Social, Infrastructure, and Justice Clusters.

### 1.7. I D P PLANNING PROCESS PLAN, ROLE AND PURPOSE

Local development priorities, identified in the IDP process, constitute the backbone of the local governments' budgets, plans, strategies and implementation activities. Hence, the IDP forms the policy framework on which service delivery, infrastructure development, economic growth, social development, environmental sustainability and poverty alleviation rests. The IDP therefore becomes a local expression of the government's plan of action as it informs and is informed by the strategic development plans at National and Provincial spheres of government.

The focus of the IDP is varied, and includes the provision of basic Municipal services, measures for building and transforming the Municipal capacity, measures to assist in expanding livelihood opportunities for citizens, enterprise development, building a dignified and safe living environment, and, crucially, exploring new ways of working and living together.

The IDP is informed by a leadership agenda – as contained in National and Provincial policy documents-as well as the needs of local citizens and public, private community structures.

Moreover, in terms of Section 29 (2) & (3) of the MSA a District Municipality must develop an Integrated Development Framework for its area of jurisdiction, in close consultation with the Local Municipalities in that area. A Local Municipality must align its Process Plan with the Framework adopted in terms of Section 27 (i.e. District Framework Plan).

## 1.7.1. IDP District Framework and Process plan

IDP review and budgeting process

## **Preparation phase**

Collins Chabane Local Municipality developed a Process Plan for the development of the IDP for 2021/22. The Process Plan was circulated internally to directorates and a IDP Rep Forum was held virtually due to none contact meetings for comments and inputs to the community before it was adopted council.

### 1.7.2. DISTRIBUTION OF ROLES AND RESPONSIBILITIES

As mentioned before, the integrated development planning process is participatory in nature and requires input from various role-players, namely:

**Table 1.2.: ROLES AND RESPONSIBILITIES** 

| ROLE PLAYERS            | RESPONSIBILITIES  |
|-------------------------|---|
|                         |   |
| PROVINCIAL GOVERNMENT   | <ul> <li>Guide municipal integrated development planning process and requirements in terms of the most critical issues to be addressed, Provincial strategies, policies and programme and resource availability, legal requirements, and the need for Coordinated municipal and provincial integrated development and sector planning</li> </ul>                                      |
|                         | <ul> <li>Co-ordinate municipal integrated development planning, budgeting and implementation processes between Municipalities and between<br/>provincial and municipal sector planning, budgeting and implementation processes.</li> </ul>  |
|                         | <ul> <li>Support municipalities with integrated development planning, sector planning and integration of municipal actions with those of other spheres of government</li> </ul>   |
|                         | <ul> <li>Monitor the extent to which all the required and desired actions take/took place in the required format, as well as the contribution of the various<br/>(municipal and provincial) role players to the achievement of shared developmental objectives</li> </ul>   |
| VHEMBE DISTRICT         | Ensure that all local issues within the powers and functions of the Local Municipality are considered during the process of IDP   |
| MUNICIPALITY            | Ensures horizontal alignment of the IDP's of the local municipalities in the district council area  |
|                         | Ensures vertical alignment between district and local planning;   |
|                         | Facilitate vertical alignment of IDP's with other spheres of government; and- preparation of joint strategy workshops with local municipalities,  |
|                         | provincial and national role players.   |
| COLLINS CHABANE COUNCIL | Ensure participation of key role players within the Municipality during the alignment/District-wide strategic planning events  Poside and adopt the present players within the Municipality during the alignment/District-wide strategic planning events    Poside and adopt the present players within the Municipality during the alignment/District-wide strategic planning events |
| AND MAYORAL COMMITTEE   | Decide and adopt the process plan and the IDP   |
| AND MATORAL COMMITTEE   | Ensure that all relevant stakeholders are involved  |
|                         | Develop cooperative relationships with stakeholders and communities;  |
|                         | Ensure that the development and review process is focused on priority issues raised by the community  |
|                         | Ensure that sector requirements are adhered to  |
|                         | Provide clear and accountable leadership and development direction;   |
|                         | Monitor the performance of municipal officials.   |
|                         | Approve Process Plan, Budget and IDP  |
| EVECUTIVE MAYOR         | Monitor the implementation of the budget and IDP through SDBIP  |
| EXECUTIVE MAYOR         | Responsible for the overall management, co-ordination and monitoring of the whole process of the IDP Process  Obside the IDP Observe and Process and Process and Process.   |
|                         | Chairs the IDP Steering Committee and Representative forum.  Chairs the Budget Steering Committee meetings.   |
|                         | Chairs the Budget Steering Committee meetings.  |

| ROLE PLAYERS            | RESPONSIBILITIES  |
|-------------------------|---|
|                         |   |
| SPEAKER                 | Coordination of the community public participation  |
|                         | Mobilize the involvement of all stakeholders in the IDP Process   |
|                         | Coordinate the involvement of Councillors, CDW's, Ward Committee to participate in the IDP Program  |
| COUNCILLORS, WARD       | Councillors:  |
| COMMITTEES & CDW's      | Play a leading role in the IDP process.   |
|                         | Represents their constituency's needs and aspirations.  |
|                         | Mobilize community to participate in the IDP Process  |
|                         | The role of the Ward Committee is to:   |
|                         | Identify the critical issues facing its area.   |
|                         | Provide a mechanism for discussion, negotiation and decision-marking between the stakeholders, including municipal government.  |
|                         | Form a structure links between the IDP Representative Forum and the community of each area; and   |
|                         | Monitor the performance of the planning and implementation process concerning its area.   |
|                         | CDW's role is to:   |
|                         | Assist communities with their needs and with the necessary information on what government is doing.   |
|                         | Provide information regarding the government work taking place in communities. They remain accountable to Councillors.  |
|                         | Link the communities with government services and relay community concerns and problems back to government structures.  |
|                         | Improve government-community networks.  |
| AUDIT COMMITTEE         | Play advisory role to Municipal Council, Accounting Officer, and SMT on effective governance process and compliance with any applicable legislation. (MFM Act no. 56 of 2003, Section 166). |
|                         | Oversee good governance practices within municipality including control environment and risk management systems.  |
|                         | Oversee workings of Internal and External auditors and evaluate their independence  |
|                         | Review as to whether the Five Year Rolling Strategic Audit objectives are aligned to the IDP objectives.  |
| PERFORMANCE             | Review the process followed in drafting the integrated development plan.  |
| AUDIT COMMITTEE         | Review the implementation of the integrated development plan.   |
|                         | Review the content of the integrated development plan.  |
|                         | Review the municipality's performance in relation to the KPIs and the targets of the municipality.  |
|                         | Assess/Evaluate performance of section 56 employees in relation to IDP KPI's  |
|                         | Report to the Audit Committee and Council on the results of the above-mentioned responsibilities.   |
| MUNICIPAL MANAGER / IDP | Responsible for the day to day management of the planning process under consideration of time, resources, community and ensuring that   |
| MANAGER                 | involvement of all different role players, especially officials.  |
|                         | Prepare the process plan.   |
|                         | Ensures that timeframes are being adhered to,   |
|                         | Ensures that the planning process is horizontally and vertically aligned and complies with national and provincial requirements.  |

Vision: "A spatially integrated and sustainable local economy by 2030"

| ROLE PLAYERS             | RESPONSIBILITIES   |
|--------------------------|--|
|                          |  |
|                          | Ensures that conditions for participation are being met.   |
|                          | Ensure that the planning outcomes are being documented   |
|                          | Management of consultants  |
| MUNICIPAL OFFICIALS      | Provide technical and expert input into sector plans and IDP.  |
| IDP TASK TEAM            | Facilitate the IDP process.  |
|                          | Review analysis, strategies, identify projects and integrate the plans or programmes.  |
|                          | Continuously liaise with the Steering Committee.   |
|                          | Provide technical and expert input into sector plans and IDP.  |
| IDP STEERING COMMITTEE   | Provide terms of reference for various planning activities.  |
|                          | Commissions research studies.  |
|                          | Consider and comments on:  |
|                          | - Inputs from sub-committees, study teams and consultants.   |
|                          | - Inputs from provincial sectors departments & service providers.  |
| IDP REPRESENTATIVE FORUM | Stakeholders represent the interest of their constituents in the IDP process.  |
|                          | Forms a structured link with the municipality.   |
|                          | Ensure communication between all the stakeholders' representatives.  |
|                          | <ul> <li>Provide an organizational mechanism for discussion, negotiation and decision making between the stakeholders including municipal<br/>government, and</li> </ul> |
|                          | Monitor the performance of the planning and implementation process.  |
| SERVICE PROVIDERS &      | Contribute information on plans, programmes and budget during the development and review process   |
| SPECIALISED TEAMS        | Conduct tasks as commissioned by Steering Committee on identified gaps and make recommendations to the Steering Committee  |
|                          | Support the alignment procedures between the municipalities and other spheres of the government  |
|                          | Provide technical expertise  |

### 1.7.2.1. MECHANISM AND PROCEDURES FOR PUBLIC PARTICIPATION

The following means of communication are used to inform the community about Public Participation Meetings: Local Newspapers, Local Radio Stations, Municipal Bill Boards, Microsoft Teams and Website etc. The media of instruction is the language understood by the general community.

The venue and times for public meetings is communicated at least three weeks before the commencement of the Public Participation meetings via the Ward councillors and Local Newspapers. The IDP & Budget documents is always made available in all Libraries across the Municipal area three weeks before commencement of Public Participation meetings.

Before the start of the meetings, the Department of Public Safety assesses the environment and possibilities of any protest or disruptions of meetings in order to come up with contingency plan.

### 1.7.2.2. MECHANISM AND PROCEDURE FOR ALIGNMENT

Vhembe District Municipality has established the district wide IDP coordination meetings which are attended by all Local Municipalities within its jurisdiction, CoGHSTA and other sector Departments. These meetings are served to align the District Framework with the Local Municipality's IDP and Budget Process Plans.

CoGHSTA also coordinates all the sector departments within Limpopo Province to present their respective plan in order to ensure that there is alignment of plans and programs under different phases of government.

The process plan for the Collins Chabane Local Municipality is guided by the Vhembe District IDP Framework as adopted by Vhembe District Municipality during a council meeting held in August 2020. This is to ensure proper district alignment with all the strategic plans. The IDP process plan for Collins Chabane Local Municipality for 2021/22 financial year was also presented and adopted at a Rep Forum held on 12<sup>th</sup> August 2020. It was then approved and adopted by Municipal Council on the 27<sup>th</sup>August 2020 with Council resolution: A01/27/08/2020

#### 1.7.5. Summary of Process Plan Implementation

#### 1.7.5.1. Analysis Phase

It is always critical for the Municipality to understand the current existing situation within the jurisdiction of the Municipal area. An in depth diagnosis assessment was done by the Municipality in relation to the levels of development, service delivery gaps or challenges, causes of existing problems, identification of priority issues (issues that needed to be addressed first), and available resources to help deal with identified challenges or problems.

With the "New Normal" Covid 19 regulation cames with restrictive conditions mostly for contact meetings and gathering. However, to ensure that all stakeholder and the community at large receives first-hand information, the municipality also uses Local News Papers, Municipal Websites, Whatsapp Group, Virtual Meetings and Local Radio Stations such as MalaFM.

The Municipality conducted extensive Rep Forum and Public Participation meetings for the collection of community needs. The Municipality advertised the Rep Forum and Public Participation meetings as per the MSA (no. 32 of 2000) on the Local News Paper and Radio Station. Ward councillors informed all the stakeholders in their wards. Traditional Leaders, community members, NGOs, Parastatals, and Sector Departments were invited to attend the Public Participation meetings.

Table 1.4.: Analysis Phase Rep Forum

| DATE            | VENUE   | WARDS |
|-----------------|---------|-------|
| 15 October 2020 | Virtual | 1-36  |

During this phase, the aim is to get an understanding of the existing service delivery challenges and the community needs within the Municipality (situational analysis). Ward Councillors, ward committees and CDWs were requested to review their Priority Needs and Community Based Planning (CBP) documents.

### 1.7.5.1.1. Community Based Planning (CBP) and Municipal Priorities

The following table outlines and summaries the challenges and service delivery priorities of wards:

Table 1.4.: CBP

| PRIORITY ISSUE(S) | NEEDS  | WARD(S)        |
|-------------------|--|----------------|
| Water             | Insufficient water Insufficient Bulk water supply Water Reticulation Insufficient Reservoirs | All Wards 1-36 |
| Sanitation        | Insufficient sanitation  Lack of bulk sewerage infrastructure  VIP Toilets                   | All Wards 1-36 |

| PRIORITY ISSUE(S)           | NEEDS   | WARD(S)                                       |
|-----------------------------|---|---|
| Roads / Streets and bridges | Opening of streets                                | All Wards 1-36                                |
|                             | Rehabilitation streets                            |   |
|                             | Re-gravelling and grading.                        |   |
|                             | Tarring of roads.                                 |   |
| Human Settlement            | Provision of land for housing development         | All Wards 1-36                                |
|                             | Provision of houses                               |   |
|                             | Rental stock Houses                               |   |
| Education                   | Provision of Schools.                             | All Wards 1-36                                |
|                             | Renovating schools.                               |   |
|                             | Replacement of mud Schools.                       |   |
| Health                      | Provision of Clinics.                             | All Wards 1-36                                |
|                             | Provision of Health Centers.                      |   |
|                             | Provision of Mobile Clinics                       |   |
| Energy                      | Insufficient electrification                      | All Wards 1-36                                |
|                             | Extensions  |   |
|                             | Power Failure                                     |   |
|                             | High mast lights                                  |   |
| Economic Growth and         | Job creation                                      | All Wards 1-36                                |
| Development                 | Construction of business centers                  |   |

### 1.7.5.2. Strategy Phase

A strategic session was held on the 4<sup>th</sup> to the 7<sup>th</sup> December 2020 at Tzaneen County Lodge, it comprised of the Traditional Leaders, Portfolio Head, Municipal Manager, Senior Managers, Managers and officials to discuss on the future development direction. Collins Chabane Local Municipality's vision, mission statement and strategies have not changed. These are still to fulfil objectives of service delivery through the Integrated Development Planning. Strategies were developed on how to address all the Communities Needs, by prioritising them and coming up with projects. The Municipal SWOT analysis was reviewed to project the status quo of the Municipality.

### 1.7.5.3. Project Phase

Proposed projects have been collected from departments and they are informed bysituational analysis and resolutions from the strategic planning session. Spatial Planning, Community Services and Technical services have been very critical in providing support to ensure proper implementation and management for effective service delivery. This process assisted in coming up with multi-year projects and the new ones which must form part of the draft IDP. All the Technicians were requested cost the projects correctly to avoid the shortage of funds during the implementation. Most of the capital projects were prioritised and budgeted under the MIG grant.

### 1.7.5.4. Integration Phase

The CCLM has integrated its capital projects as informed by the vision, objectives and strategies developed and resources available for the effective implementation of the project in the IDP. That has been seen as putting more emphasis on the implementation of the management strategic meeting resolutions. However, as part of the integration phase, a IDP and Budget Representative Forum will be held during April 2021 with various sector departments with the intentions of aligning sector plan with the IDP.

Vhembe District Municipality hosted its Virtual Stratetgic Planning Workshop from the 3<sup>rd</sup> to the 5<sup>th</sup> March 2021 and the District Municipality together with sector departments presented projects that will be implementented around Collins Chabane Local Municipality.

### 1.7.5.5. Approval Phase

The 2021/22 (Draft) IDP will be tabled to Management on the 16 March 2021, Budget Committee on the 18<sup>th</sup> March 2021, Executive Committee on the 25 March 2021 and Audit Committee on the 29<sup>th</sup> March 2021. The Draft IDIP will be tabled to Council on the 31<sup>st</sup> March 2021 for adoption and approval for public participation.

Collins Chabane will be conducting its IDP public participation in clusters complying with COVID-19 regulations wherein sructures will be sending their representatives as follows:

Table 1.6.: Approval Phase Public Participation Schedule

| 20 April 2021. | Malamulele Boxing Gym          | 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25 & 26 | 10H00 |

The announcement by president on the 28<sup>th</sup> February 2021 permitted gatherings subject to limitations on size, adherence to social distancing and other health. It included religious, political and cultural gatherings wherein a maximum number of people allowed at any gathering is 100 people indoors and 250 people outdoors.

### **SECTION A: ANALYSIS PHASE**

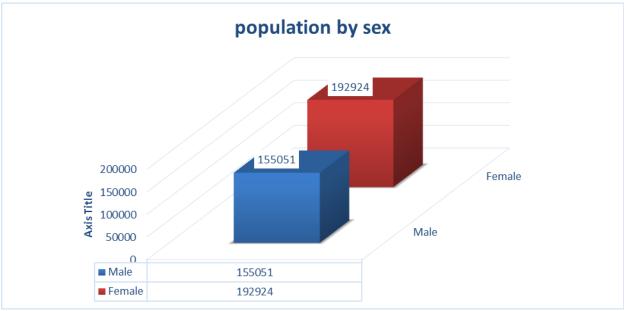

### **CHAPTER 2: DEMOGRAPHIC PROFILE**

The purpose of this section is to provide information regarding the development context as well as the population trends of the Municipality.

### 2.1. POPULATION TRENDS AND COMPOSITION

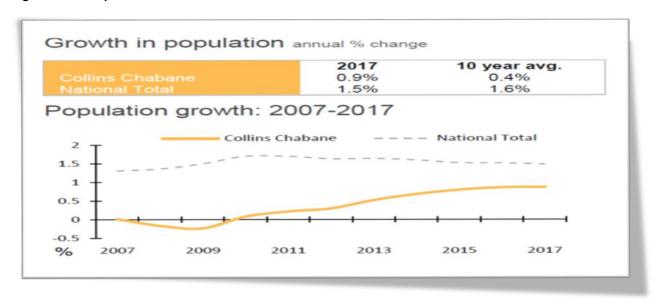

Figure 2.1.1. Suggests a population of approximately 347 974 people residing at Collins Chabane Local Municipality according to Stats SA. The population is a little unequal by gender or sex. There are more women than men.

Figure 2.1.1.: Population by sex

Source Stats SA, 2016 Community Survey

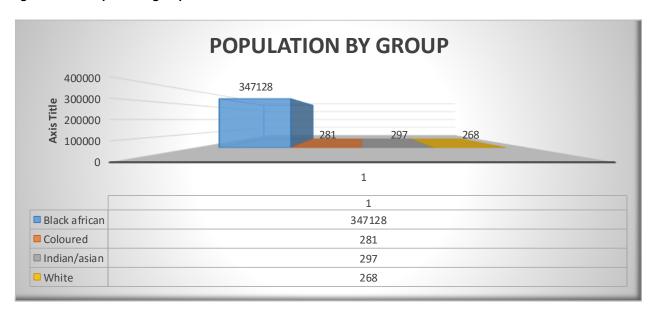

Figure 2.1.2.: Population Growth

Source: VDM IDP, 2018/19

This graph shows the annual growth rate in the population of Collins Chabane Local Municipality. The average growth rate is 0.9% for 2017 against 1.5% of the total National growth over 10 years.

Figure 2.1.3.: Population group

Source Stats SA, 2016 Community Survey

31

Vision: "A spatially integrated and sustainable local economy by 2030"

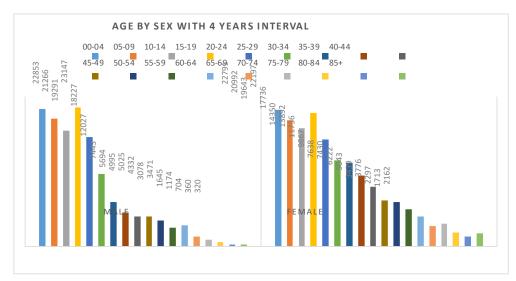

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

The figure above shows the population distribution by group Collins Chabane Local Municipality. A total of 347 974 people are residing within the Municipal jurisdiction. A total number of (347 128) are Black Africans and have the highest number of people staying in Collins Chabane Local Municipal area. The second highest are Indian/Asian with (297) people, Coloureds (281) and Whites (268) are residing at Collins Chabane Local Municipality.

#### 2.2. POPULATION AGE AND GENDER DISTRUBUTION

The age and gender profile provides valuable insight into the composition of the market population and will help establish the Potential Economically Active population (PEA). The PEA population refers to the population that falls within the working age group (between 15 and 64 years). It does not mean that this entire portion of the population is prepared or able to be employed. For example, some prefer to stay at home as housekeepers, some are disabled and others are fulltime students, or have given up looking for work. They do, however, form part of the potential labour pool. Depicting from Figure 2.2.1., it is evident that the population in Collins Chabane Local Municipality is relatively youth.

Figure 2.2.1.: Age by sex with 4 years interval

Source Stats SA, 2016 Community Survey

Further, the figure above the number shows population that falls within the 0-14 age group is almost equivalent to the youth, which gives an indication of the large number of the population that will be entering the labour market in the future.

This point out the following;

- The need for the Department of Education to provide basic education facilities.
- The need for the creation of recreational facilities.
- The need for improved basic service delivery.
- The need for and job creation.
- ❖ The need to establishment of townships to cater for the maturing youth.
- ❖ The need for expansion of CBD and Business- Park.
- The need for road expansions and creation of intermodal transport facilities.
- The need to improve and provision of health care facilities

### 2.3. MIGRATION

People have various reasons for moving from one area to another. 0.54% of people move to the Vhembe district because of education reason as indicated in table 3.9 below. Job opportunity reasons attracted 0.88% in the district of which Musina local municipality (LM) attracted 0.49% followed by 0.18% of Thulamela, 0.17% Makhado and 0.04% Collins Chabane.

33

### Source: Stats SA, Community Survey 2016

The table above shows Thulamela Local Municipality leading in terms of educational inwards migration by 0.33% followed by Makhado local municipality with 0.11%. Musina local municipality is leading in terms of jobs transfer and new job opportunities as indicated in table 3.9 below. This should be of great concern for Collins Chabane Local Municipality to attract investors to develop institutions of higher learning, massive development for economic activities, improve tourism facilities and township establishments to enable people to migrate to CCLM for various activities. These will also assist in the municipal GDP.

#### **CHAPTER 3: COMMUNITY NEEDS**

#### 3.1. STAKEHOLDER ENGAGEMENT AND CONSULTATION IN THE IDP PROCESS

Community and stakeholder participation in matters of local government is a cornerstone of democracy. Section 152 of the South African Constitution (Act 108 of 1996) put it succinctly that: "the objects of local government includes, amongst others, the encouragement of involvement of community and community organisations in matters of local government".

Furthermore, the Local Government: Municipal Systems Act (Act 32 of 2000) (Sec 16) states that a Municipality must develop a culture of Municipal governance that complements formal representative government with a system of participatory governance, and must for this purpose encourage, and create conditions for the local community to participate in the affairs of the Municipality, including in the preparation, implementation and review of its integrated development plan.

In order to give effect to the above legislative provisions, the Collins Chabane Local Municipality has adopted a Public Participation strategy that outlines the processes, mechanisms, and procedures for community and stakeholder participation. The participation of communities is driven through a Ward Committee System managed by the Public Participation Unit located in the Office of the Speaker and the IDP Representative Forum arranged through the Office of the Mayor.

Moreover, the Municipality's Public Participation process comprises of community meetings, cluster meetings, Mayoral Imbizo(s), Speakers Outreach programmes, chamber of business and commercial stakeholder's engagements and traditional leader's engagements. The Municipal IDP needs to take into consideration the views of the local community members and interest groups as expressed through various processes and forums.

#### 3.2. EFFECTIVE COMMUNITY PARTICIPATION

It is the experience of Municipalities that Public Participation related to IDP mainly raises issues around the immediate living conditions of the community. Many of these issues raised by the communities are therefore not of a long term or strategic nature.

Table 3.1.: Dates for Community Based Planning and consultation of ward Committees, CDW, Councillors and communities

| DATE            | VENUE   | WARDS |
|-----------------|---------|-------|
| 15 October 2020 | Virtual | 1-36  |

#### 3.3. MUNICIPAL 10 KEY PRIORITY NEEDS

Table 3.2.: Municipal key priority needs

| Priority<br>No. | Priority Issue | Key Focus Area                               |
|-----------------|----------------|--|
| 1.              | Water          | Improve access to sustainable basic services |

35

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

| 9.  | Health                          | Integrated spatial and human settlement                 |
| 10. | Economic Growth and Development | Integrated local economy                                |

#### 3.4. COMMUNITY NEEDS SUMMARY CHART

A summary of community needs as collected during the public participation phase which was done virtually due to Covid 19. The chart below indicates the ward numbers and the priority issue. Water needs cuts across all the wards which show Collins Chabane Local Municipality still has water challenges that needs to be addressed. Sanitation is also a major challenge for service delivery that need attention due to the fact it a health hazard. Most the roads at Collins Chabane Local Municipality needs attention. Electricity, Housing, and Education are also a priority. Refer to the Chart Below:

**Table 3.4.1.: Community Needs Chat** 

|                                       |          |          |          |          |          |          |          |          |          | CO       | LLIN     | 3 Cr     | IADA     | 4INE     | LUC      | AL IV    | IUNI     | SIFA     |          | CON      | VIIVIO   | INIII    | NEE      | בטפ      |          |          |          |          |          |          |          |          |          |          |          |        |

|                                | Establishment of an Eco-tourism centre along Shingwedzi river next to Shangoni Gate | Shingwedzi         |
| 11. Waste management and parks | Establishment of waste transfer station at the ward                                 | All villages       |

### **CHAPTER 4: SPATIAL RATIONALE**

This section outlines how the municipality strive to integrated issues of planning and community development. According to Section 26 of the MSA the Municipal Spatial Development Framework (MSDF) must be aligned to the IDP. All other spatial plans must be aligned with the MSDF. Therefore, no spatial plan of the municipality may contradict the MSDF or the IDP. Section 35(2) of the MSA, indicates that a spatial development framework contained in the integrated development plan prevails over a plan defined in section 1 of the Physical Planning Act, 1991 (Act No. 125 of 1991). Section 1 of the Physical Planning Act defines 'plan' as a national plan, a regional development plan, a regional structure plan or an urban structure plan.

This section gives an overview of the spatial analysis of Collins Chabane Local Municipal area. Collins Chabane Local Municipality is a newly established Municipality, established after the August 2016 Local Government Elections. The Municipal council of the Collins Chabane Local Municipality adopted the Municipal Spatial Development Framework (MSDF) and Land Use Scheme (LUS) in August 2018 which is aligned to the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013) (SPLUMA).

The spatial analysis exercise provides a visual picture of the existing spatial pattern (nodes, networks and areas) that has emerged in the Municipal area. This analysis serves to describe the Municipal area in spatial terms and understand how space is utilized in the Municipality. It also looks at settlement patterns and growth points (nodes), population concentration areas, land claims and their socio-economic implications. All these aspects have a bearing on future land usage, infrastructure investment, establishment of sustainable human settlements, public transport and local economic development.

#### 4.1. SPATIAL RATIONALE

The Spatial Rationale gives an overview of the settlement hierarchy based on the classification of settlements, in terms of town or village. Figure 10 and map 4 gives an overview of the spatial rationale of Collins Chabane Local Municipality area.

Table 4.1.: Hierarchy of Settlements

| Туре  | Characteristics  | Area                                 |
|---|--|--------------------------------------|
| District Growth Point                         | Very well positioned along the National and Provincial movement network.                     | Malamulele                           |
| First Order Settlement                        | Function as high order service centres  Have relatively large local populations.             |                                      |
| Municipal Growth Point First Order Settlement | Large rural clusters with small economic bases.  Accessible via the Provincial road network. | Saselamani, Vuwani and<br>Hlanganani |

| Population Concentration Points  Second Order Settlement | Towns/villages or group of villages located close to each other and have substantial number of people located in these villages. | Tiyani, which include areas<br>such as Mahatlani, Majosi,<br>Ribungwani and Bungeni, Masia<br>which includes Vyeboom &<br>Kurhuleni Ramukhuba) |
|--|--|--|
| Local Service Points  Third order Settlements            | Situated in the midst of a high number of small scattered villages. Focus needs to be on community infrastructure.               | Mukhomi, Xikundu,<br>Olifantshoek and Tshimbupfe A<br>& B and Mulenzhe   |
| Village Service Areas  Fourth Order Settlements          |  | All Other Villages   |

Source: CCLM SDF, 2018

#### **4.1.1. SETTLEMENT PATTERNS**

CCLM has approximately 198 villages and 4 Informal Settlements. There are only 2 proclaimed townships namely Malamulele and Vuwani and also 2 RDP Townships. In terms of the surveyed settlements a total of 68 settlements have General Plans.

### **4.1.2. SPATIAL FEATURES**

- Unstructured land development resulting in a distorted spatial pattern (un-proclaimed areas)
- Increase in unplanned human settlements.
- Unsecure land tenure (Malamulele B Ext 1 & 2; Malamulele D Ext 1, 2 & 3)
- Land invasions in Malamulele and Vuwani
- Unregistered Municipal properties.
- Illegal Land Uses (Malamulele and Vuwani)

#### 4.1.3. SPATIAL DEVELOPMENT FRAMEWORK (SDF)

The Collins Chabane Local Municipality has adopted its first SDF in 2018 with council resolution: A016/29/03/2018 following all the processes that are prescribed in terms of law. It was approved in terms of the Municipal Systems Act, 2000 (Act 32 of 2000) and serves as a guide to decision making in development and land use planning. This section therefore outlines the spatial vision, analysis, strategic framework and desired spatial pattern of the Collins Chabane Local Municipality.

Chapter 4 of the Spatial Planning and Land Use Management Act (Act 16 of 2013) requires each Municipality to prepare a spatial development framework that will, amongst others, guide planning and development decisions across all sectors of government. It must also interpret and represent the spatial development vision of the responsible sphere of government and competent authority which is informed by a long term spatial development vision statement and plan. Section 26 of the Municipal Systems Act (Act 32 of 2000), as amended, also dictates that a Municipalities integrated development plan must reflect a spatial development framework which must include the provision of basic guidelines for the land use management

84

system.

A Municipal Spatial Development Framework (MSDF) is a long-term (10-20 year) development framework which articulates the vision, goals and objectives of the Municipality spatially through strategies designed to address physical, social and economic shortcomings. It co-ordinates the spatial implications of all strategic sector plans of a Municipality. An MSDF is also one of the core components of a Municipal IDP and gives physical effect to the vision, goals and objectives of the Municipal Integrated Development Plan (IDP).

### The primary aims and objectives of the SDF

To create a spatially based policy framework whereby change, needs and growth in the Collins Chabane Local Municipal area are to be managed positively to the benefit of everyone. It should focus on how land should be used within the broader context of protecting the existing values of the Collins Chabane Local Municipal area i.e. tourism destination, rich historical and cultural areas.

- To improve the functioning of the local urban and rural, as well as the natural environmental systems.
- Identification of local opportunities for future urban/ rural development, and natural environmental conservation, and make recommendations as to where and how development of the open space system should be managed.
- To establish strategies and policies to achieve the desired spatial form i.e. movement and linkage systems, open space system, activity system, overall land use pattern etc.

#### 4.1.3.1. Nodes

The CCLM SDF aligns to 4 of the 2015-2019 Limpopo Development plan strategic objectives which are allied with the Medium-Term Strategic Framework. The strategic objectives include ensuring inclusive growth, decent work and sustainable livelihoods, investment in economic and social infrastructure (improve access to quality education and healthcare); rural development, food security and land reform; cohesive and sustainable communities; and sustainable resource management and use. Within these strategic objective the LDP 2015-2019 designed 4 key pillars of intervention which includes:

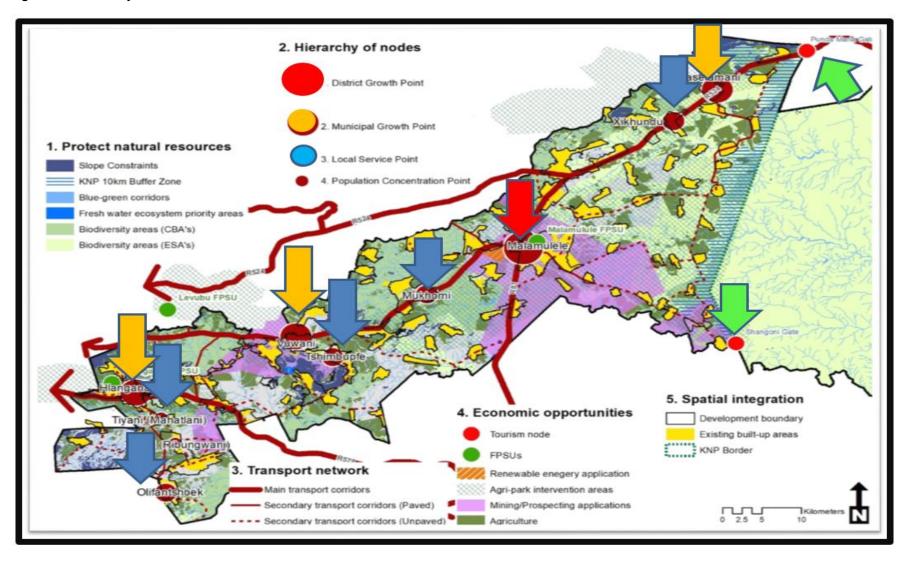

- Economic development and transformation
- Infrastructure development
- Building developmental state
- Social Cohesion and transformation.

The CCLM SDF acknowledges that equal financial investment within these 4 pillars and across the entire Municipality will not be financially viable nor sustainable and for this reason, it sets out a nodal hierarchy which will inform investment. This spatial rational introduces establishment of Nodal Points within the Municipality. The SDF has identified Nodal Points that are a District Growth Point, Municipal Growth Points, Local Service Points and Population Concentration Points. The SDF has identified core areas comprising of four Municipal Nodes namely: Malamulele; Saselamani; Hlanganani/ Nkuzana and Vuwani. These Nodes are located along roads/development corridors and within which to concentrate development. It is proposed that development should be focused within these nodes so that they become places where services are rendered at a central point to communities.

Furthermore, the SDF identifies Population Concentration Points which act has economic feeders to the identified Nodal Points. It is proposed that in these area investments should focus on social facilities in order to increase accessibility to social facilities and effective public transport systems. The identified areas are Magoro concentration area which includes Mahatlani, Majosini, Ribungwani and Bungeni.

Xikundu Mukhomi, Tshimbupfe and Olifantshoek have been identified as Local Service Points whereby the SDF proposes that social services need to consolidate in these areas to effectively serve the extensive surrounding rural communities. The focus on these areas should therefore be on community infrastructure and not necessarily economic infrastructure.

Figure 4.1.: Hierarchy of Nodes

Source: CCLM SDF, 2018

86

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

#### 4.1.3.2. Corridors

In terms of improving access to these nodes, the SDF identified several priority networks which are critical for movements; importation of goods and services; and connectivity. These road networks are critical to connecting local nodes and the Municipality to other Municipalities and the Provinces in order to move goods and services throughout the Municipality.

The SDF identifies several corridors which are of great significant to the Municipality. These corridors include the R578 (between Makhado and Giyani), R81 (Between Giyani and Malamulele) and the R524 (Punda Maria and Thohoyandou) which are main transport corridors that provide access to the different major areas in the Municipality.

These main corridors need to be prioritised for maintenance by SANRAL/RAL. Other identified corridors include secondary roads which provide links between nodes and villages which are mostly District roads which should be prioritised for tarring (if gravel) as well as maintenance to facilitate public transport and flow of passengers through the Municipality.

The SDF also proposes that the road linking Malamulele to Altein should be prioritised as it could become a very important tourism corridor with the establishment of the Shangoni Gate and Tourism Node.

#### 4.2. LAND USE COMPOSITION AND MANAGEMENT TOOLS -LUS/GIS

CCLM has adopted a Land Use Scheme (LUS). It is a planning tool that allows or restricts certain types of land uses to certain geographic areas in accordance with the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013). The Collins Chabane Local Municipality Council adopted its first Land Use Scheme in 2018 which is operational and will be due for review after 5 years.

A Geographic Information System (GIS) assists with the information regarding land development and upgrading. The Municipality is still in the process of developing its own GIS program.

### 4.2.1. Spatial Planning Policies and By-Laws

- SPLUMA By-Laws, 2018
- Street Trading By-law, 2018
- Noise Control By-law, 2018
- Advertising and Billboards By-law, 2018
- Hardware Storage of Goods By-laws, 2018
- Car Wash By-laws, 2018
- Place of Public Worship By-law, 2018
- Tuck Shops By-laws, 2018
- Public Open Spaces By-law, 2018
- Transportation of Goods By-laws, 2018
- Densification Policy , 2018
- Rental Housing Policy, 2018

### 4.2.2. Implementation of SPLUMA

- i. The Spatial Planning and Land Use Management Act No. 16 of 2013 was enacted by the State in August 2013 as a result the following Acts were repealed:
  - Removal of Restrictions Act No.84 of 1967
  - Physical Planning No 88 of 1967
  - Physical Planning No 125 of 1991
  - Development Facilitation Act No.67 of 1995
  - Less Formal Township Establishment

#### ii. The objectives of the SPLUMA are:

- To promote greater consistency and uniformity in the application procedures and decision making by authorities for land user decisions and development applications
- For the establishment of Municipal Planning Tribunals (MPT)
- To provide for a framework for policies, principles norms and standards for spatial planning and land use management
- To address past spatial and regulatory imbalances

### iii. General principles of SPLUMA

SPLUMA puts forward a set of principles to influence spatial planning, land use management and land development. It also provides for National and Regional Spatial Development Frameworks as well as provincial and municipal spatial development frameworks, implying that a package of plans will be undertaken from national to municipal level to direct land use management, while providing for uniform regulation of land use management throughout South Africa.

The general principles endorsed by this Act is that Spatial Planning, Land Use Management (SPLUM) and land development must promote and enhance Spatial Justice, Spatial Sustainability; Efficiency; Spatial Resilience, and Good Administration.

### 4.2.2. Spatial Analysis

The spatial challenges experienced by the Municipality such as scattered settlements have become too costly to provide services. The apartheid spatial pattern is still evident with sprawling rural villages situated in traditional authority areas located far away from employment opportunities, thus becoming too costly for people to travel to their working places. State-owned land is mostly in the custodianship of Traditional Council with a large percentage of land held under leasehold and Permission to Occupy. Because of this, land ownership is regarded as insecure, which in turn acts as a hurdle to land development. The high-level Strengths weakness and opportunities of the Collins Chabane Local Municipality are summarized in the table below.

Table 4.2.: Spatial Analysis

|  | GOVERNANCE  |   |  |
|--|---|---|--|
| The prospect of political continuity and working towards meeting common community objectives. Adopted Legislations, By-laws, Policies and Plans in place. Updated SDF and LUS Established Municipal Planning Tribunal and Appeals Tribunal in terms of SPLUMA. | Councillors need training to be more effective in their respective portfolios.  Some traditional councils not willing to work with the Municipality.  Unresolved Vuwani issues. | Explore partnerships to ensure effective service delivery fully.  Prospects of PPP with businesses and traditional leaders in terms of development. |  |
| ADMINISTRATION   |   |   |  |

| SPATIAL SPACE & ENVIRONMENT  Land Use Scheme for entire Municipality in place. Spatial Development Framework aligned to principles of SPLUMA adopted by council. Backlogs in basic service provision Backlog of housing in villages   | Potential for different housing typology Secure land tenure. Establishment and upgrade of community facilities.   |

# 4.3. ELEMENTS THAT INFLUENCED THE SPATIAL FORM OF COLLINS CHABANE LOCAL MUNICIPALITY AREA

### 4.3.1. Past Political Ideologies

Apartheid planning resulted in disperse spatial pattern. This created a distorted spatial structure and lead to inefficiencies and backlogs in service provision.

### 4.3.2. Tribal Authority Areas

Dispersed settlements developed with no order. Ad hoc and unsustainable service and infrastructure development occurred. The apartheid residential is still very much evident with sprawling rural villages situated in traditional authority areas located far away from employment opportunities, thus become too costly for people to travel to their working places

90

#### 4.3.3. Land Ownership

State- owned land is mostly under the custodianship of Traditional Authorities. Large percentage of land is held under leasehold title and Permission to Occupy. Because of this, land ownership is regarded as insecure, which in turn acts as a hurdle to land development.

#### 4.3.4. Major Roads

Collins Chabane Local Municipality has development corridors that link to the Municipal Nodal Points such as the D4 from N1, Vleifontein, Elim, Vuwani, Malamulele until Shagoni Gate- Kruger National Park, Thohoyandou to Malamulele- Along Road R524 north from Thohoyandou and turn right to R81 to Malamulele Basani to Saselamani - Along Road R524, Malamulele to Giant reefs- Along a gravel road south east from Malamulele up to Giant Reefs and Malamulele to Giyani - Along Road R81

Public Transport

| Strength  • Functional public transport system ( bus and taxi) | Derelict state of Taxi Ranks     No Bus Rank     No Taxi operation between Vuwani and Malamule |
|--|--|
| Opportunities  • Integrated public transport system            | Threats  Taxi Strikes  |

### 4.4. INTEGRATED AND SUSTAINABLE HUMAN SETTLEMENT

Human settlement development is currently the sole mandate of The Department, Corporative Governance Human Settlement and Traditional Affairs (CoGHSTA), the Municipality's role is only to facilitate. According to Stats' Community Survey 2016, the number of households in Collins Chabane Municipal area is 91936. The number of households always increase as the population increase.

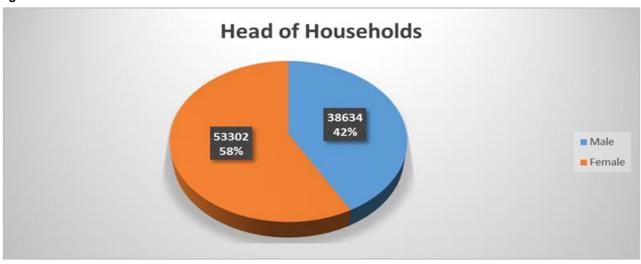

### 4.4.1. Household Trends and Human Settlement

Collins Chabane Local Municipality has achieved notable quantitative success in housing delivery, but this has also perpetuated undesirable settlement form. CCLM being a rural municipality has low-density, mono-functional and predominantly low income residential areas on the periphery of municipality with limited related economic opportunity. a good picture is painted through the household trends and the types of dwelling units within the jurisdiction of the municipality.

#### 4. 4.2. Household Trends

The figure below shows that 58% of the households are headed by females and only 42 % is male headed. This is mostly due to male migration to urban areas for job opportunities, high male death rate than women, life expectancy and some due to lack of responsibility resulting to high number of women headed households.

Figure 4.2.: Household Trends

### Table 4.4.: Types of dwelling units

The table further indicates that the majority of people in Collins Chabane Local Municipality area resides in "formal dwelling, brick structures"

| Main Dwelling that household lives in                              | Number |
|--|--------|
| Formal dwelling/house or brick/concrete block structure on a stand | 69952  |
| Traditional dwelling/hut/structure made of traditional mater       | 16521  |
| Flat or apartment I n a block of flats                             | 61     |
| Cluster house in complex   | 237    |
| Townhouse (semi-detached house in a complex)                       | 1162   |
| Semi-detached house  | 194    |
| Formal dwelling/house/flat/room in backyard                        | 1926   |
| Informal dwelling/shack in backyard                                | 389    |
| Informal dwelling/shack not in backyard (e.g. in an informal       | 67     |
| Room/flat let on a property or larger dwelling/servants quart      | 68     |
| Other  | 1359   |
| Total  | 91936  |

Collins Chabane Local Municipality has housing backlog is estimated at 10 000 units. However, there the allocation for 2020/21 financial year was 700 housing units and 246 units were constructed and for 2021/22 financial year is 454 which a remainder from 700 units that was not constructed in 2021

#### 4.4.3. Building Inspection

The Collins Chabane Local Municipality Housing and Building Control Unit is also in charge of Building inspections. The following legislative requirements are used by the Unit on a daily basis in the application and enforcement of the Act on National Building Regulations and Building Standards (Act 103 of 1977) as well as in the evaluation and approval of building plans, demolition and other applications in terms of the following:

- ❖ The National Building Regulations Act (Act 103 of 1977).
- Architects Act (Act 35 of 1970).
- Collins Chabane Town Planning Scheme, 2019.

#### Core Function of building Inspections sub-unit

i. Services provided by building Inspections sub-unit include the following:

- Building plan evaluation and approval
- Minor works permit approval (for work such as swimming pools, small 'Wendy' houses
- Extension of the validity of an approved building plan
- Temporary structures permits
- Demolitions permits
- Copies of approved building plans

### ii. In additions, other responsibilities are:

- Building Inspection during the construction period
- Issuing of Occupation Certificates
- General enforcement of building Regulations
- Investigation and resolving building complaints, contraventions and illegal building work
- Maintaining statistics on building construction activities

#### 4.5. SPATIAL RATIONALE CHALLENGES

Table 4.4.: Spatial rationale challenges

### **CHALLENGES**

Backlog in the provision of RDP houses

Lack of individual tittle deeds (Malamulele and Vuwani) townships.

Unapproved developments.

Prioritization of housing beneficiaries.

**Record management of the Building Plans** 

**Electronic Filling and submission of the Building Plans** 

# CHAPTER 5: BASIC SERVICE DELIVERY AND INFRASTRUCTURE DEVELOPMENT

#### 5.1. WATER AND SANITATION PROVISION

The RSA, Constitution of 1996, guarantees the rights to a basic amount of water and a basic sanitation service that is affordable. Strategic framework for water service define basic water supply as provision of basic water supply facilities, the sustainable operation of facilities and the communication of good water use, hygiene and related practices. Water should be available for at least 350 days per year and not interrupted more than 48 conservative hours per incident. Basic supply facility is defined as the infrastructure necessary to supply 25 litres of portable water per person per day supplied within 200 meters of a household and with a minimum flow of 10 litres per minute i.e. in case of communal water points or 6000 litres of portable water supplied per formal connection per month in case of yard and household connection.

#### 5.1.1. WATER AND SANITATION AUTHORITY

Vhembe District Municipality is the water Service Authority (WSA) and the Provider. Vhembe District is responsible for bulk water supply and sanitation infrastructure. The District purchase bulk raw water from the department of Water Affairs, then process or clean the water for reticulation. The goal of Vhembe District Municipality WSA is to supply every household with an adequate and reliable water supply and to manage the water supply services in an affordable, equitable and sustainable manner.

There is a huge water and sanitation backlog at CCLM. A large number of households already have access to water; however, challenges of upgrading, resource extension, operation and maintenance as well as refurbishment needs are immense. Infrastructure upgrading and refurbishment and reticulations remains the major problems.

## 5.1.2. WATER CATCHMENT SOURCES IN THE DISTRICT

The Province's water resources are obtained from 4 Water Management Areas (WMAs), namely: The Limpopo, Olifants, Luvuvhu-Letaba and Crocodile West Marico WMAs. In terms of water resources, Nandoni and Vondo RWS falls within the Luvhuvhu/Letaba water catchment area which spans across Vhembe and Mopani District Municipalities. The sources of water in the District are from dams, weirs and boreholes: 12 dams are Nandoni, Albasin, Vondo, Nzhelele, Luphephe, Nwanedi, Tshakhuma, Mutshedzi, Capethorn, Damani, Cross and Tshirovha dam. 3 weirs are Mutale, Khalavha and Magoloi weir.

## **5.1.3. MAIN SOURCE FOR DRINKING WATER**

The table below reflects the number of households with access to the different sources/ standards of water provision:

Table 5.1.: Source of Drinking water

| MAIN SOURCE FOR DRINKING WATER              |       |
|---|-------|
| Piped (tap) water inside the dwelling/house |       |
| Piped (tap) water inside yard               | 35745 |
| Piped water on community stand              | 24900 |
| Borehole in the yard                        | 2784  |

| Rain-water tank in yard    | 96    |
|----------------------------|-------|
| Neighbours tap             | 4136  |
| Public/communal tap        | 15348 |
| Water-carrier/tanker       | 160   |
| Borehole outside the yard  | 2946  |
| Flowing water/stream/river | 78    |
| Well                       | -     |
| Spring                     | -     |
| Other                      | 1369  |
| Total                      | 91936 |

Source: STATSA Census 2011: Community Survey, 2016

## 5.1.4. SANITATION

The District is the authority and provider with regards to Sanitation services. Vhembe District has 9 waste water works (Thohoyandou, Makhado, Reitvlei, Malamulele, Maunavhathu, Watervaal, Elim Orbal, Musina Nancefield, Musina Singelele,) 11 Ponds (Mhinga, Tshufulanani, Madzivhandila, Matatshe, Tshitereke, Siloam, Dzanani, Lemana, Vleifontein, Phalama) and 10 Booster pump stations (Riphambeta, Maniini A, Maniini B, Nare Tswinga, Mbilwi, Shayandima, Eltivillas, SA Brewery, Musina) in the District. Challenges are Waste water plants receiving more inflow than the design capacity; Vandalism and theft of manhole covers and cables; Introduction of undesirable objects in the sewerage system, Lack of staffing to operate the plant, ageing Infrastructure, over grown shrubs and grass at plants and poor maintenance of sewerage system.

The table below gives an overview of the number of households in Collins Chabane Local Municipality Municipal area access to different toilet facilities.

Table 5.2.: Number of household toilet Facility used

| MAIN TOILET FACILITY USED                                   |       |
|---|-------|
| Flush toilet connected to a public sewerage system          | 7083  |
| Flush toilet connected to a septic tank or conservancy tank | 1041  |
| Chemical toilet   | 2233  |
| Pit latrine/toilet with ventilation pipe                    | 31796 |
| Pit latrine/toilet without ventilation pipe                 | 35042 |
| Ecological toilet (e.g. urine diversion; enviroloo; etc.)   | 246   |
| Bucket toilet (collected by Municipality)                   | 36    |
| Bucket toilet (emptied by household)                        | 56    |
| Other   | 3178  |
| None  | 11225 |

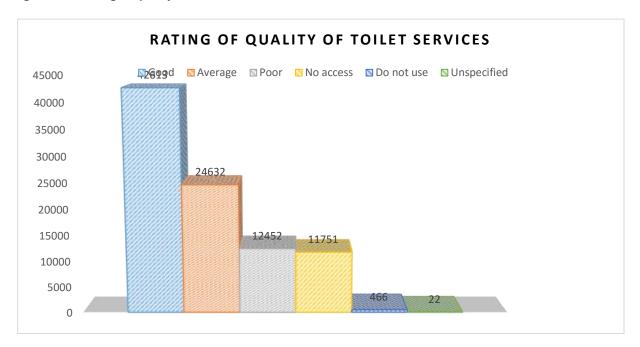

| Total | 91936 |
|-------|-------|

Source: STATSA Community Survey, 2016

## 5.1.5. SANITATION AND WATER BACKLOG/CHALLENGES

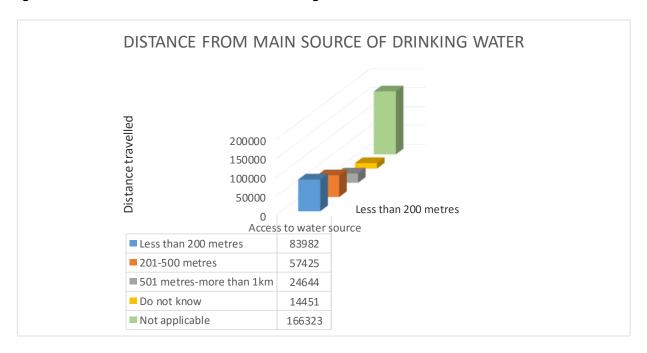

Depicting from the figure below, more than ten thousand (10 000) people have no access to toilet facilities.

Figure 5.1.: Rating of quality of toilet services

Source Stats SA Community Survey, 2016

Figure 5.2.: Distance between household and drinking water

Source Stats SA Community Survey, 2016

Figure 5.2. Above indicates that the distance (more than 200m) between households and source of drinking water is very high.

## **5.2. ELECTRICITY AND ENERGY AUTHORITY**

Energy distribution has an important economic developmental implication with a potential to make considerable impact. This impact relates to improved living conditions, increased productivity and greater sustainability of the environment. The electricity in Collins Chabane Local Municipality is supplied by Eskom. The table below, suggests that the majority of households have access to prepaid electricity.

Table 5.3.: Household access to electricity and other energy sources

| Household Access To Electricity                              |       |
|--|-------|
| In-house conventional meter                                  | 3506  |
| In-house prepaid meter                                       | 82367 |
| Connected to other source which household pays for (e.g. con | 95    |
| Connected to other source which household is not paying for  | 801   |

|-------|-------|
|       |       |

Source Stats SA Community Survey, 2016

## 5.2.1. Electrification of Households and Backlog

The current backlog on electrification of households is 5191. Projects earmarked 2021/22 are includes Mbhuti and Xihosana. The electricity backlog is continuously increasing as it is a moving target as and when there are new developments. New extension keep increasing rapidly as the increase of population size and migration rate. **Electrified Households** 

| FINANCIAL YEAR | COLLINS CHABANE | ESKOM | NUMBER OF HOUSEHOLDS |
|----------------|-----------------|-------|----------------------|
| 2016/17        | 0               | 963   | 963                  |
| 2017/18        | 1161            | 2111  | 3272                 |
| 2018/19        | 1470            | 992   | 2462                 |
| 2019/20        | 659             | 688   | 1347                 |
| 2020/21        | 400             |       | 4922                 |
| TOTAL          | 4090            |       | 8044                 |

The current backlog on electrification of households is **4922**. This shows that CCLM since inception managed to electrify 8044 households.

## 5.2.2. Electricity Licensing Authority

The Municipality has engage Nersa and Eskom. A letter was written from the Municipality to Nersa indicating the area of interest. Nersa has acknowledge the receipt of the letter. Municipality is now waiting for consent letter from Eskom, indicating that they agree to hand over their assets to the Municipality.

MISA is also assisting the Municipality to acquire a license. The process will take some time before is finalized. Obtaining a license as the Municipality will help to increase revenue collection and create more jobs for the community of Collins Chabane Municipality. However, a fisibility study will be made municipalities to share best practices with the license for supply and all villages that are not of ESKOM authority will be directly applied from NERSA.

## 5.2.3. High Mast Lights Installation

The Municipality is responsible for the installation of high mast lights in all its 36 Wards in order to reduce the high rate of crime. The Plan is to install at least three high mast lights per ward, which will make a total of 108 high mast lights for all 36 wards. For 2018/19 Financial Year a total number of 17 high mast were installed at 13 wards. For 2019/20 Financial 32 high mast lights were installed, 12 highmast lights at stadium and 20 at villages. The current financial year 2021/22 projects will install 39 high mast lights to 36 wards. All wards would have been catered for and the baglog will only be on the villages per ward.

## 5.2.4. Traffic Lights

There are four traffic lights installed at the Municipality at the Malamulele area, which are 100% functional. The Municipality is paying R 1 801.60 per month for all four traffic lights, which worth it because it helps to reduce accident and traffic congestion. Due to traffic congestion at some identified Municipality area, solar traffic lights will be installed at Saselamani four way stop next to taxi rank, Hlanganani four way stop next Vivo garage and Vuwani four way stop. This will help to reduce traffic and accident at a tune of R1 500 000.

## 5.2.5. Street Lights/High Mast Lights Maintenance

Table 5.4.: The Municipality is responsible for maintenance of street light at the following area:

| Village/town    | Number of street lights | lights working | lights not working |
|-----------------|-------------------------|----------------|--------------------|
| Malamulele town | 505                     | 420            |                    |
| Makuleke        | 379                     | 330            | 49                 |
| Mabilingwe      | 227                     | 217            | 10                 |
| Vuwani          | 210                     | 150            | 60                 |

Municipality is paying street lights bill for the above mentioned area every month at a total average cost of R 50 025.75. Maintenance of street lights is not undergoing, only two street lights that are broken at Malamulele section B were maintained because it was an emergency. Street lights are 55% functional for the whole entire Municipal area. Communities are in the dark and risk of increase crime rate while they have access to street lights and high mast light that are not working.

#### 5.3. ROADS AND STORM WATER SERVICES

#### 5.3.1. Roads

It is also through Municipal roads where it becomes evident that Collins Chabane Local Municipality is predominantly rural. A high number of Municipal roads gravel and their conditions only improve through grading. However, a large percentage of the roads are still unpaved and are not tarred.

#### 5.3.2. Pavement of Roads

The Municipality is responsible for Planning, Construction and Maintenance of roads. The entire roads network of our area of jurisdiction amounts to 3465.35 km of the total road network only 75, 1 km of road is paved and there is still a backlog of 3390, 25km.

## 5.3.3. Street Blading

The Municipality is performing the functions of street blading in order to open and clear access of roads to the community. Currently the Municipality is providing access roads to Schools, Clinics, Cemeteries and Tribal Authority Offices.

## 5.3.4. Grading Programme

The grading programme is divided into three clusters which are Hlanaganani Cluster, Malamulele Cluster and Saselemani Cluster. One grader is allocated to one Ward for a period of three weeks and this is done on a rotational basis to focus on grading of identified critical areas. Upon lapsing of three weeks regardless of whether all critical identified roads are finalized, the grader is moved to another ward. If it happens that there is a funeral(s) on the same Ward the grader will be assisting in opening access to the cemeteries from the affected family.

In most cases Thursdays and Fridays, the graders will be focusing on opening access to cemeteries as per the requests submitted to the Municipality.

#### 5.3.5. Patching of Potholes

The Municipality is also mandated to patch the potholes at Municipal Roads. The Current situation is that most of tarred roads are deteriorated and have defects and they need to be repaired. The repairs of potholes is an ongoing activity.

#### 5.3.6. Road Marking

The Municipality is further mandated to mark the Municipality roads. Road marking is crucial to communicate information, warnings, demarcate road the lanes and provide safety for road users. Currently the municipality have marked the entire Malamulele town and the VTS.

#### 5.3.7. Speed humps

The Municipality is also mandated to construct speed humps on roads as a traffic calming measure. Due to student's road crossing and speeding road users we provide speed hump as a safety precaution. We have constructed speed humps in Malamulele A and Malamulele C.

#### 5.3.8. Resources

- 6 x Graders
- ❖ 3 x TLB
- 12 x Bakkie
- 16 x Private cars
- 12 x Truck
- 2 x Water tanker
- 1 x Pedestrian Roller
- 1 x Premix Asphalt Bags

## 5.3.9. Expanded Public Works Programme (EPWP)

The Expanded Public Works Programme (EPWP) has its origins in Growth and Development Summit (GDS) of 2003. At the Summit, four themes were adopted, one of which was 'More jobs, better jobs, decent work for all'. The GDS agreed that public works programmes 'can provide poverty and income relief through temporary work for the unemployed to carry out socially useful activities'.

The Programme is a key government initiative, which contributes to Governments Policy Priorities in terms of decent work and sustainable livelihoods, education, health; rural development; food security and land reform and the fight against crime & corruption. EPWP subscribes to Outcome 4 which states "Decent employment through inclusive economic growth. "In 2004, the EPWP was launched and is currently still being implemented. The EPWP is a nationwide programme covering all spheres of government and state-owned enterprises.

The EPWP provides labour intensive employment created through the infrastructure sector, social sector, environment sector as well as the non-state sector. These sectors under the EPWP therefore have a dual purpose namely, job creation and upgrading of infrastructure

## 5.3.9.1. Collins Chabane Projects, Functions and Placement

- Collins Chabane Local Municipality has recently employed 72 EPWP employees through Ward Councillor's recruitment process.
- Employees are allocated to 3 different departments within the Municipality namely:
  - Technical- Infrastructure related projects
  - Corporate(cleansing)- Office cleaning related
  - Community Services- Refuse removal and Horticulture related projects
- Refuse removal and Parks & Beautification activities are currently taking place at Malamulele, Saselamani & Hlanganani areas.

100

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

• For the 2020/2021 financial year, there is a total number of 48 EPWP employees within Community Services Department which are allocated as follows:

Malamulele: 19 employeesSaselamani: 10 employeesHlanganani: 20 employees

## 5.3.9.2. EPWP Funding

- EPWP is funded by the National Department of Public Works through IG (Integrated Grant).
- Collins Chabane has been funded R 1 161 000, 00 of which R 585 000 is budgeted for Refuse Removal projects and R 288 000 is for Parks and beautification.

## 5.3.9.3. Challenges

- There is currently no EPWP coordinator to run the project, attend meetings and report to the EPWP system.
- The number of employees is not enough to cover all the departments (Technical, Community and Cooperate) whereas there is a high demand for manpower on the Community Services: Waste Division.

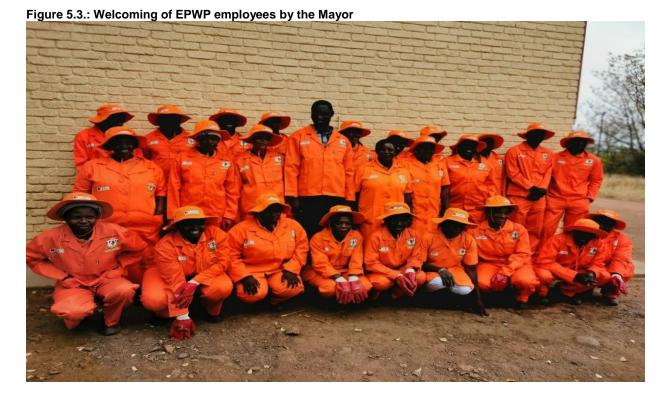

Figure 5.4.: EPWP working on an illegal dumping

Figure 5.5.: Litter picking on roads

102

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

#### 5.3.10. Mechanical Workshop

Municipality has not yet established a mechanical workshop. For internal maintenance and services of vehicles, machinery. Currently the Municipality is spending lot of money as the services of maintenance are outsourced.

#### 5.4. NODAL ACCESS

Collins Chabane has four Municipal Nodes namely: Malamulele; Saselamani; Hlanganani and Vuwani. These Nodes are located along roads/development corridors meaning that they are accessed through Provincial roads.

Currently the Municipality is busy with the construction of Access roads around the Nodal Areas at:

- Hlanganani Nodal Area
- Nwamatatani ring road
- Mtswetweni to Njhakanjhaka ring road
- Malamulele Nodal Area
- Malamulele D internal street
- Malamulele B internal street
- Widening of DCO to Malamulele Hospital road

#### 5.5. FREE BASIC SERVICE

The municipality revised its Free Basic Service (FBS) Policy for the purposes ensuring efficient operations and effective responsibility to the qualifying indigent households. There is a form that indigents should fill to verify the status (Pensioner/grant) of the people through Ward Councillors and ward committee members. There is no dedicated FBS personnel in the municipality to work with all the FBS issues as a result the register is not always updated. However, reapplication of indigent must be done using the KDOS system to determine those who qualify.

Subject to the availability of funding from the Provincial Government, the policy provides assistance to those indigent households who qualify in terms of the set criteria. A household which has a verified total gross monthly income equal or less than 2 times state pension per month will be classified as indigent and will qualify for financial assistance subject to the completion of the relevant documentation including a sworn affidavit. Indigent's households qualify for the following:

- Full exemption on Property rates
- 50 kilowatts of electricity per month
- 50% of monthly charge for normal residential property

#### **5.6. WASTE MANAGEMENT**

In recognition of this Constitutional obligation, the municipality has to comply with the national en-vironmental management: Waste Act 59 of 2008 (Waste Act) and the National Waste Management Strategy (NWMS).

The municipality provides waste management services that include waste collection, street cleaning, clearing of illegal dumping, health care risk waste management and waste disposal. Regular solid waste collection service is provided to business, institutions and households within the jurisdiction of the Municipality.

#### 5.6.1. Refuse Removal Services

About 3321 households are currently receiving refuse removal services once a week, namely Malamulele A, B, C and D. The service is also rendered daily within CBD's and Municipal Nodal points such as Saselemani and Hlanganani area. Vuwani area is now receiving refuse removal services unlike the previous financial years. All proclaimed rural areas within the municipality are serviced once a week with a backlog of approximately 4951 households not serviced due to lack of resources and most not proclaimed.

103

#### 5.6.1.1. Integrated Waste Management Plan (IWMP)

Collins Chabane Local municipality has developed the IWMP adopted by council as required by the National Environmental Management Waste Act 59 of 2008 and is integrated into the IDP for proper planning and management of waste.

#### 5.6.1.2. Currently Waste Management is operating with the following refuse vehicles:

- 06 Compactor Trucks
- 4 01 Half Trucks
- ♦ 02 TLB

#### 5.6.2. Land Fill Sites

Collins Chabane Local Municipality has already developed Phase 1 and in process of developing phase 2 of Landfill site for waste disposal. A Category B Landfill Site License has been acquired to operate on the Xigalo Landfil Site however, the municipality is still on completion phase interms of the construction of the Landfil Site. The Municipality is currently disposing their waste in Thulamela Local Municipality Landfill site, and the municipality is billed monthly for waste disposal. There are two Transfer Station, transferred from Thulamela in Mhinga and Mulenzhe village which are not operational.

## 5.6.3. Environmental Education & Clean Up Campaigns

A plan to conducts clean-up campaigns where community members are encouraged to participate in cleaning the area they reside in is in place, and one clean-up campaign is conducted per month through monthly clean-up campaigns program.

## 5.6.4. Recycling Initiatives

The National Waste Management Strategy seek to minimise the waste stream going to landfills, while extracting maximum value from the waste stream at all stages of collection and disposal. Collins Chabane Municipality is frequently conducting a recycling education and awareness program which provides residents an opportunity to create additional jobs, and income for the unemployed.

#### 5.6.5. Challenges

Collins Chabane Municipality faces a number of challenges in terms of effective refuse removal services to the whole of Collins Chabane local municipality such as:

- Insufficient budget,
- Growing population,
- Capacity,
- Lack of appropriate refuse removal equipment to service the area.
- Improper access/ gravel roads to households.

Waste collection in rural areas is not done systematically therefore Collins Chabane villages in rural areas constitute a backlog. Collins Chabane Municipality has two transfer stations, transferred from Thulamela Municipality which are currently not operational.

#### 5.7. ENVIRONMENTAL ANALYSIS

#### **Environmental Health Services**

The service is not coordinated as an EHP is not appointed within the institution

The map below indicates the spatial representation of the Collins Chabane Local Municipality's environmental features and settlement arrangements.

104

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

Vison: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

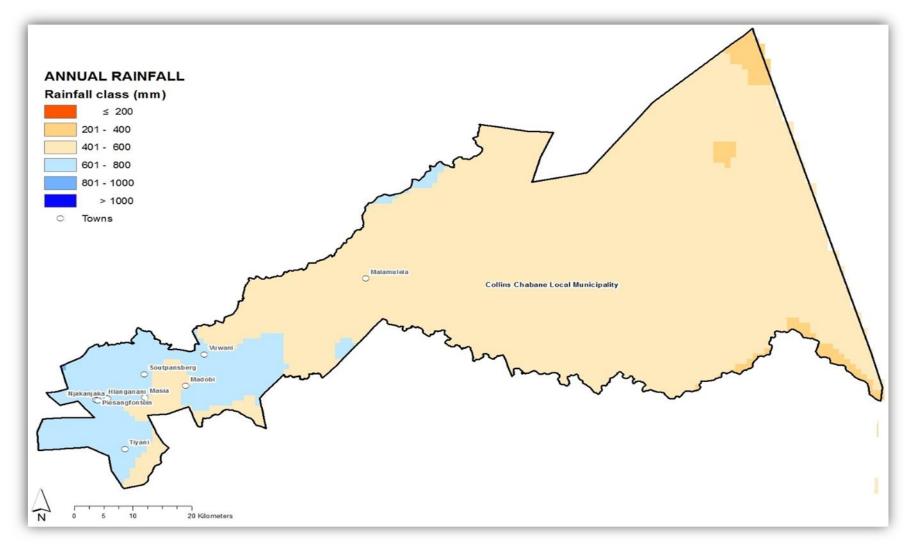

## 5.7.1. Climate

Collins Chabane Local Municipality is located in an arid region and it has a very dry subtropical climate, specifically a humid subtropical climate with long hot and rainy summers coupled with short cool and dry winters. The climate here is mild, and generally warm and temperate. When compared with winter, the summers have much more rainfall. The area normally receives about 691 mm of rainfall per year, with most of rainfall occurring mainly during midsummer (WHE, 2016). Large variations are observed for seasonal temperatures; temperature can reach as far as  $40^{\circ}$ c during summer time.

## 5.7.2. Rain Fall

Rainfall in the Municipality averages between 401 mm to 600 mm annually. The western parts of the Municipality averages between 601 mm to 800 mm a year which is the populated areas of the Municipality.

Figure 5.7.: Annual Rainfall

Source: CCLM SDF (2018)

107

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

#### 5.7.3. Climate Change

Collins Chabane Local Municipality like all municipality is also experiencing the global issue called climate change. Besides an increase in average temperature, climate change also causes significant changes in rainfall patterns, and an increase in extreme weather events giving rise to floods and droughts.

Collins Chabane Local Municipality's Environment and Waste Management unit has engaged SALGA Environmental Specialist on development of Collins Chabane Climate Change Mitigation, Response and Adaptation Strategies. SALGA will engage with multi departmental team on determining local climate change impacts, risks and vulnerabilities as well as municipal responsibilities on Climate change.

Water scarcity is now a generic challenge in the Collins Chabane Local Municipality together with the extreme hot weather conditions. Climate effects are also felt by crop farmers and the livestock farmers within the whole Municipality.

Focal areas such as ecosystems, livelihoods, economic activities, infrastructures, and utilities as well as public health and safety will mainstream climate change responses. This will allow for effective implementation of climate change responses on ground and strengthen climate change resilience within the Province. Vhembe District Municipality has also involved its local Municipalities to participate in the development of the District climate change adaptation strategy which is awaiting approval from the council.

#### 5.7.4. Air Quality

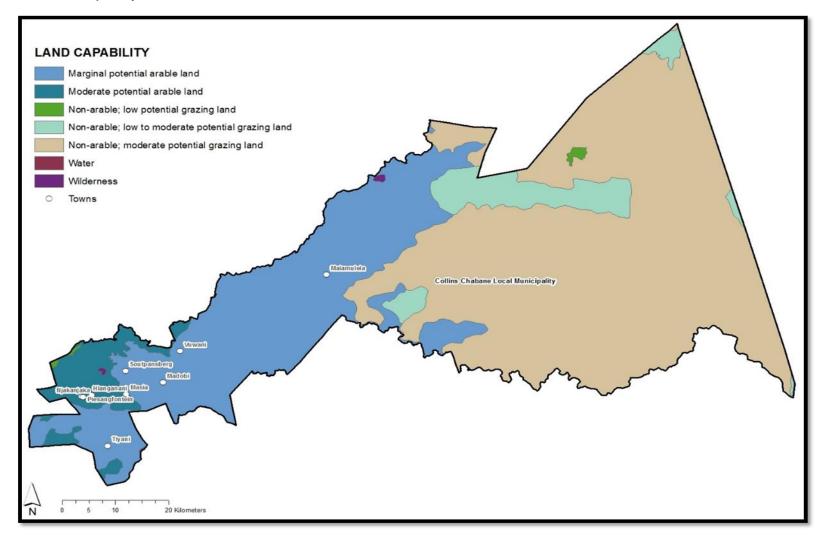

Poor air quality has a direct impact upon the health and life expectancy of our citizen and improving it is an ambition for all. Sources of air pollution in CCLM includes industrial activities which include burning coal, oil, and other fuels that causes air pollution, such as clay brick manufacturing, pot manufacturing businesses, fuel stations, charcoal manufacturing, boilers, and wood processing. Other contributors of air pollution are dust fallout at mine such as Fumani gold mine at Mtititi area.

Mobile sources are mostly associated with transportation and internal combustion engines with pollutants being emitted allow the path taken. These services include motor vehicles (light duty vehicles, heavy duty vehicles, road dust from unpaved roads. Vehicle tailpipe emission is the main contributors of hydrocarbons. Residential and commercial sources include emission from the following sources categories: wood stoves, backyard burning, households heating. And commercial sources include emissions from the following categories: Land clearing burning, unregistered restaurants, dry cleaning, building construction and demolitions.

#### 5.7.5. Land Cover / Land Capability

Collins Chabane Local Municipality area has an amazing biological diversity of flora and fauna, this rich biological diversity can be attributed to its biogeographically location and diverse topography. The District falls within the greater savanna biome, commonly known as the bush veld with some small pockets of grassland and forest biomes. However, the map below shows that the western part of the Municipality consists of land with moderate potential for agricultural production. The eastern part of the Municipality has potential grazing land which is unsuitable for growing of crops.

Figure 5.8.: Land Capability

Source: CCLM SDF 2018

109

Vision: "A spatially integrated and sustainable local economy by 2030"

Mission: To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for benefit of all citizens

#### 5.7.6. Hydrology

Collins Chabane Local Municipality has a moderately inadequate supply of both the ground and surface water. The area comprises of few catchments areas which are stressed by high demand of water for development activities such as agriculture, human consumption. Water management within the Municipality faces the following challenges: imbalance between the supply and demand for water, alien invasion, and inappropriate land uses in the river valley, the impact of fertilizers and pesticides, inadequate monitoring, poorly managed sewage systems, high concentration of pit latrines and droughts. Luvuvhu and Shingwedzi are the main rivers which are used to provide water to the population of Collins Chabane Local Municipality. There are also variety of wetlands within the Municipality, amongst them include the Makuleke wetland which is one of the RAMSAR recognized wetlands in the entire Limpopo. The most prominent feature within the Makuleke wetland include the riverine forest, riparian floodplain forest, and flood-pains.

#### **5.7.7. Geology**

Collins Chabane Local Municipality area is unique due to its geological formations (predominantly sandstone). Collins Chabane Local Municipality has a fairly complex geology with relative high degree of minerals, and the minerals are found in dusters in varying concentration. The geology of the region comprises of Archean aged, granite- green stone terrain of the northern extremity.

## 5.7.8. Geomorphology

Geomorphology strongly controls land surface, hydrology and ecosystem. Geomorphic features observed in Collins Chabane Local Municipality are plains, low Mountain, and lowlands. The landscapes have been carved out by the meanderings and erosion activities. The soil in this region is as a result of Soutpansberg group of sandstones and smaller amount of conglomerate, shale and mostly basalt. The region also consists of deep sands to shallower sandy litho-sols, with a few limited areas displaying B-horizons soil properties.

## 5.8. HEALTH AND SOCIAL DEVELOPMENT

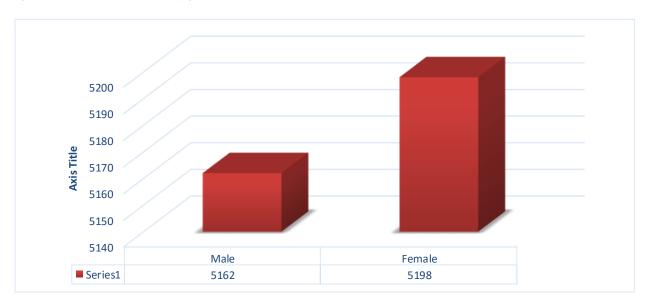

#### 5.8.1. Health Services

According to World Health Organization (WHO) set of standards, 1 professional nurse is responsible for 40 patients, 1 health facility (clinic) should be found within a 5km radius. The Municipality has got a radius of 5 467 216 m² which means that there is a huge backlog of Health facilities. Collins Chabane Municipality has 1 hospital, 3 health care and 32 clinics. There is a shortage of childhood centres, old age facilities and access to social grants are major challenges. The prevalence of Malaria in Vhembe District and Mopani, post a huge health risk for the Municipality.

#### 5.8.1.1. Health Status

The table below indicates the Total death rate is 10360 of death within the Jurisdiction of the Municipal. According to figure 2.6.1, there is high mortality in female than male in Collins Chabane Local Municipality.

Figure 5.9.: Number of death by gender

## 5.8.1.2. Hospitals and clinics

In the district there are functional 6 District hospitals, 01 Regional hospital, 01 Specialized hospital, 115 Clinics, 8 Community Health Centers and 19 mobile clinics. Eight (08) District hospitals are offering first level of care and one (01) Regional hospital offers secondary level of care. Outreach health service is provided by the mobile clinics to the community. Municipal Ward Based Outreach Teams provide health promotion, support and follow up to patients in the communities.

The total number of clinic providing Primary Health care services for 24 hours on call system is sixty (60). Eight (8) Community Health Centre and five (5) clinics provide 24 hours service straight shift (night duty). Central Chronic Distribution and Dispensing of Medicine (CCMDD) is implemented in 123 clinics and 23 private pick up points.

| TABLE 5.7.: DISTRICT HEALTH FACILITIES |                     |                      |                        |  |  |  |  |  |  |

Table 6.44 above in the context of Collins Chabane Local Municipality there 33 clinics and providing primary health care and 1 District Hospital at Malamulele Nodal Point, **Ward 23**.

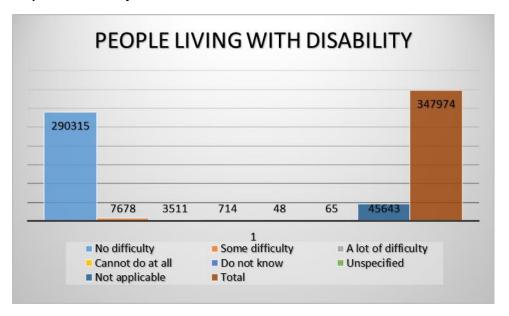

## 5.8.1.4. HIV/AIDS

HIV and Aids still remains one of the major development challenges facing the Municipality. The connection between HIV, AIDS and TB can't be overemphasized. It is recorded that between March 2018 and April 2019 more than 380 people were diagnosed with HIV/Aids. This clearly shows the need to develop HIV/Aids prevention programmes for the Municipal area.

## **5.8.1.5. PEOPLE WITH DISABILITIES**

As illustrated by figure 2.8.1, indicates that Collins Chabane Local Municipality has a very low number of disable people residing in the area. However, it indicates that the number of people who find it difficult to care for them self is more than five thousand (5000). More than seven hundred (700) people cannot take care of themselves. This indicates that the Municipality should plan for home base care centrums.

#### 5.8.1.6. Health challenges

The quality of health care in Collins Chabane Municipal area is poor. The following are some of the health challenges that our communities continue tom face on a daily basis:

- Shortage of medicines and health professionals;
- Communities travel long distance to access health facilities,
- ❖ High number of defaulters in |HIV/ AIDS AND TB Patients
- Clinics opened only during working hours.
- Poor or bad roads to access some of the health facilities.
- No sheltered structures in some mobile clinic visiting points.
- Shortage of Professional and support staff.
- Infrastructural challenges compromise the provision of quality primary health care services.
- High level of crime where armed robbery and burglary occur in health facilities which affect the provision of 24 hours services to the community.
- Communal water not connected to the clinic and clinic depends on water from boreholes.

## 5.8.2. Social Services

The Municipality has appointed one (01) Manager Social services, with one (01) Disaster coordinator, one (01) Supervisor Horticulture and (09) nine Horticulture General Assistance whose main functions are:

- Management & maintain parks,
- Bush clearing along the roads and within Municipal buildings
- Planting of crops, trees, flowers and lawn
- Debushing all over Collins Chabane Municipality using equipment's such as Brush cutters, hoe tool, spade, lashers etc...
- Weeds removal on Paving
- Tree pruning

#### **5.8.2.1. SOCIAL GRANT POPULATION BY NODAL POINTS**

## Table 2.3.1.: Social Grant

Table 2.3.1, gives an overview of the social grand dependency in Collins Chabane Local Municipality area. The high number of child support grant indicates a high fertility and unemployment rate.

## 5.8.2.2. Social Development Infrastructure

According to service standard, all service offices or points must be within a distance of twenty (20) km radius. One Social welfare practitioner should serve a population of 3,000 (1:60) children in a particular service point. Social assistance applications should be complete within 8 hours – more realistic 45-56 hours.

Table 6.45 below indicate 25 numbers of victim empowerment centers with a backlog of 02 and total number of 82 drop in centers with a backlog of 16.

#### **5.9. HORTICULTURIST**

The service is being coordinated by a supervisor where municipal facilities such as cemeteries, halls, offices, stadiums and along the main roads are being maintained and the services includes:

- Management & maintain parks,
- Bush clearing along the roads and within municipal buildings
- Planting of crops, trees, flowers and lawn
- Debushing all over Collins Chabane Municipality using equipment's such as Brush cutters, hoe tool, spade, lashers etc...
- Weeds removal on Paving
- Tree pruning

#### 5.10. MANAGEMENT OF SPECIAL PROGRAM SERVICES

According to Section 73(1) of the Municipal Systems Act, Act 32 of 2000 requires municipalities to give effect to the provisions of the Constitution to give priority to the basic needs of the local community and to promote its development. The Act, Section 73 (2) further states that municipal services should be equitable, accessible and be provided in a manner that is conducive to the prudent, economic, efficient and effective use of available resources.

Collins Chabane Local Municipality has a Special Programs Unit which is located within the Community Services Directorate to address issues that affect previously deprived and marginalized groups of the society, such as women, children, youth, people with disabilities and older persons as well as people living with HIV. The forums for the targeted groups were established, including the Local Aids Council and the Local AIDS Council

There are eight special programs within the Municipality: Disability forum, Gender forum, Elderly forum, Aids Council, Women Council, Moral Regeneration, Traditional Healers, Youth Council & Early childhood.

118

#### 5.10.1. SPECIAL PROGRAM

#### 5.10.2. Youth Development

A youth council was launched and constituted by structure from various wards with the jurisdiction of the municipality during the 1 March 2018.

- Boxing Tournament was Launched and hosted,
- Sports Council was Launched sports Council committee is in place
- Mayoral Soccer Challenge was Launched and hosted

#### **5.11. KEY CHALLENGES**

- Vandalism of sports facilities
- Shortage of sporting facilities
- Shortage of libraries
- Lack of developed recreational parks
- Lack of public open spaces
- Lack of interest in cultural activities

## **5.12. DISASTER MANAGEMENT**

The section only had one Disaster Management Coordinator dealing with all Collins Chabane Local Municipality Disasters.

## 5.12.1. Disaster Advisory Forum

It was launched on September 2018. It focuses on all disaster issues and is constituted by various structures such as EMS, Fire Fighters, and Police to mansion a few.

#### **5.13. LICENSING & REGISTRATION**

CCLM has licensing division consisting of three units namely: DLTC, VTS and R/A. The division has 01 Manager, 01 Management Rep, 01 senior licensing officer, 05 Examiners, 04 cashiers and 02 help desk.

The station is currently providing the following services:

- Registration & licensing of motor vehicles
- Testing driving licences and Learners licences
- Conducting driving licence and professional driving licence renewals
- Conducting roadworthy test

#### **5.14. TESTING STATION**

Collins Chabane Local Municipality has an operational licensing unit issued with Registration Certificate number: 4211000130003, Infrastructure Number: 43910168 of Grade B from the Department of Transport and Community Safety. This certificate enables Collins Chabane Local Municipality to be a Registering Authority (RA) that is also having the

119

Driving License Testing. Centre (DLTC) and Vehicle Testing Station (VTS). This Unit reports under Community Service Department within the Municipality.

Collins Chabane Local Municipality is having ongoing projects to address shortfalls that prohibit full compliance to OHS. The Driving Licence Testing Station and the Vehicle Testing Station are being upgraded from Grade B to Grade A in order to test all types of motor vehicles roadworthy and driving license.

#### **5.15. PUBLIC TRANSPORT**

There is a public transport system that is operational across the jurisdiction of Collins Chabane Local Municipality. The in the absence of Air and Rail the CCLM public transport only focus on road modes of transport such as Taxis and Buses. There is a Public Transport Council Forum that is operation dealing with all issues with regards to Public Transport. There are only 4 formal taxi facilities namely Malamulele, Saselemani, Vuwani and Hlanganani Taxi Facility. There are 5 associations that operate within the municipal jurisdiction such as the Malamulele Taxi Association, Saselemani Taxi Association, Vuwani Taxi Association, Hlanaganani Taxi Association and the long distance taxi association called MALGITA Taxi Association which was formed by Malamanulele and Giyani. The bus service have individual Bus companies that operate both local and long distance trips.

However, in terms of the bus terminal facility there is no infrastructure but a site has been identified to construct the bus terminal and a service provider is appointed for project. This bus terminal will cater for the long and short distances destination trips. Interms of linking with the major corridors buses must vai Giyani through the R81 to Polokwane the via Thohoyandou then Makhado to access the N1 due to poor conditions of the D4 via Ellim from Malamulele. The entire road portholes and need refurbishment.

In terms of the **Integrated Transport Plan (ITP)** a service provider has been appointed by the Department of Transport to establish the CCLM ITP.

## **5.16. LAW ENFORCEMENT**

One of the main function of the division is to provide Law Enforcement and Road Safety education and communication. It also ensures compliance to By-Laws giving support to community services (funerals, marathon and VIP escorts). The Traffic law enforcement, Transport Council and Arrive Alive was launched. Scholar patrol is monitored on a daily basis to all schools along the main roads. It emergency respond is given to all accidents which are happening within Collins Chabane.

#### 5.16.1. Safety and Security

Crime has a negative impact on a community, both socially and economically. An increase in crime has an influence on various aspects, such as

- Quality of life
- Investor decisions
- Business
- Moral of upcoming youth

The South African Police Service is responsible with safety and security with the Municipality together with the department of Safety, Security and Liaison Department working together with the Community Safety Forum and the Community Policing Forum. There are three (3) Police stations in Collins Chabane Municipal area at Malamulele, Saselamani and Vuwani and Community Policing Forums are in all 36 wards. The aim of the South African Police Service (SAPS) is to prevent, combat and investigate crime, maintain public order, protect and secure the inhabitants of South Africa and their property, and uphold law enforcement.

Table 6.47 below shows that Crime statistics.

120

| Crime                                 | Experience  | Musina | Thulamela | Makhado | Collins<br>Chabane | Vhembe  |

#### 5.13.1.1. Community Safety Forum

The forum is working with SAPS and the Municipal traffic officers championed by the Department of Transports and Community Safety. Officers are deployed at taxi ranks schools, carwashes, public spaces and homes. This is done unannounced visits to the locations for searching of illegal weapons, drugs, stolen items and any all unauthorised items. The main reason for this forum is community safety and security of community members.

#### 5.17. EDUCATION

According to standards of the department of Basic Education, a school should be located within a radius of 5km from the community it serves and the walking distance to and from school should not exceed 10km. Despite the 153 schools located within in the Municipal area, shortage of schools is still a huge concern. Provision of services such as water, sanitation and electricity in school is still a challenge.

#### **5.17.1. EDUCATION PROFILE**

Education is not only one of the main factors that contribute to unemployment, but is a key indicator of development in general. Collins Chabane Local Municipality has a high level of illiteracy, however it further suggests that despite the high illiteracy, people with Post – Higher Diploma/ Degrees is more than 3000.

There are 132 Adult Basic Education & Training (ABET) centers and 1 University. The rendering of quality education in the district is negatively affected by dilapidated and shortage of classrooms and administration blocks, lack of electricity, dilapidated and shortage of toilets.

#### 5.17.2. Education Norms and Standards

According to the norms and standard, a school should be situated within a radius of 5km from the community it serves and the total walking distance to and from school may not exceed 10 km. Learners who reside outside the determined feeder zone may be provided with either transport or hostel accommodation on a progressively phased and pro-poor basis.

The norms and standard for teaching is the Ratio of one (1) Teacher per fourty (40) Learners in Primary and one (1) teacher per thirty five (35) learners in secondary school, and every learner should have access to minimum set of text books.

Education service in are negatively affected by the following problems: older persons are not participating actively on ABET programme, violence, burglary, vandalism and gangsterism, management of school finance, none or late submission of Audited statements and none compliance to prescripts.

National schools nutrition programme is carried out in all primary schools in the district. All Q1& Q2 Primary Schools & all Q1 Secondary schools are benefiting from National schools nutrition programme. All Q1, Q2 and Q3 are no fee schools.

| Table :                          | 5.11.: Public Ordinary Schools – Norms And Standards               |  |                        |  |

## Challenges:

- Mushrooming of ECD Sites,
- · Lack and poor infrastructure and
- · High illiteracy rate

## 5.17.2.1. 2018 NSNP-National School Nutrition Programme

The main objectives are to provide nutritious meals to targeted learners for all school going days in a financial year, facilitate the establishment of food production projects through capacity building workshops and to promote healthy living style and nutrition education through workshops on food safety, hygiene and healthy living habits. Challenges are No proper infrastructural facilities in schools for food storage and preparations areas, shortage of water supply and fencing in schools that delay implementation

Vision: "A spatially integrated and sustainable local economy by 2030"

assist in water management. The Municipality has an estimated road network of 3465.35km. The estimated backlog is approximately 3390.25km. The roads implemented in 2019/2020 financial year are as follows:

#### i. Widening of DCO to Hospital Road

The purpose of this project was to construct a 1km with double lane road on both sides and a side walk on both sides constructed at Malamulele Town, **Ward 23**. The communal road provides easy access to the Shopping Complex, Police Station, Traffic Department, Municipal Offices, Home Affairs, Malamulele Stadium, Public Works, Magistrate Offices, Information Centre, Community Hall and mainly giving easy access to the Malamulele residential area. The project commenced on the 20<sup>th</sup> of August 2018 and the project was completed on the 13<sup>th</sup> of December 2019.

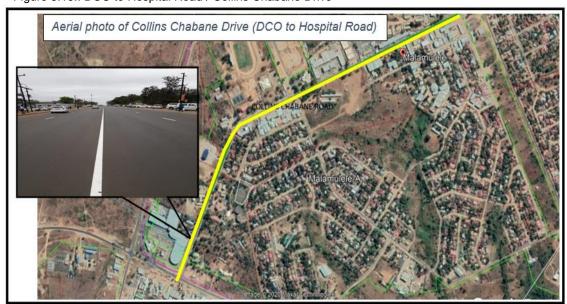

Figure 5.19.: DCO to Hospital Road / Collins Chabane Drive

Widening of DCO to Hospital Road

#### ii. Nwamatatani Ring Road Phase 2

The objective of the project was to construct a 2.7km and 7m wide at Nwamatatani ward. The road was constructed to improve travelling by foot or by some form of conveyance (including a motor vehicle, cart, bicycle etc) and assist in water management. The communal road provides easy access to household, Caledon Primary School, Msengi High School, Joe Mabedle Primary School, Caledon Assemblies of God, AFM, ZCC, Full Gospel and local shops. The road is constructed at Nwamatatani **Ward 23**. The commenced on the 01<sup>st</sup> of August 2020 and was completed on the 28<sup>th</sup> of February 2020.

Figure 5.20.: Nwamatatana Ring Road

Aerial Photo of Nwamatatani Ring Road marked in yellow

#### iii. Upgrading Of Mtswetweni to Njhakanjhaka Ring Road Phase 3.

The objective of the project was to construct a 2.9km and 7m wide at Mtsetweni and Njhanjhaka **(Ward 4 and 5)**. The communal road provides easy access to households, Mtsetweni Secondary School, Hluvuka High School, Njhingha Primary Primary, Njhakanjhaka Primary School, Marholeni High School, Emanuel Church, EPC, ZCC and local shops (Vivo garage etc). The commenced on the 01<sup>st</sup> of August 2020 and the project was practically completed on the 30<sup>th</sup> of September 2020.

Figure 5.21.: Msetweni to Njhakanjhaka Ring Road

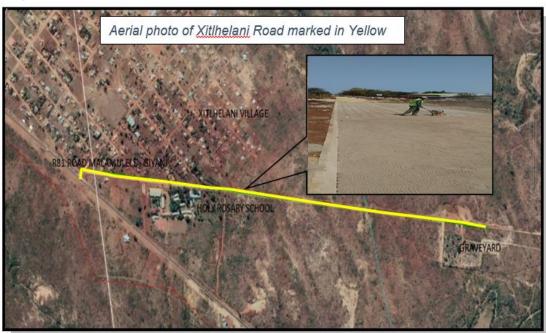

Upgrading of Mtsetweni to Njhakanjhaka Ring Road Phase 2

iv. Upgrading Of Xitlhelani Graveyard Access Road and Parking Area from Gravel to Paving. The objection of the project is to construct a 2.3km, 6.8m wide and 777m² parking at Xitlhelani ward. The communal road provides easy access to households, Holy Rosary Independent School and 2 Graveyards. The project commenced on the 11th of May 2020 and the completion date on the 11th of February 2020.

139

Vision: "A spatially integrated and sustainable local economy by 2030"

Figure 5.22.: Xitlhelani Road

Upgrading of Xitlhelani Graveyard Access Road and Parking Area from Gravel to Paving.

#### v. Upgrading Of Bevhula Ring Road

The objective of the project is to construct a 4.46km and 6m wide at Bevhula Village **Ward 34**. The communal road provides easy access to households, Nkandziyi Primary School, Bevhula Community Creche, Bevhula ZCC, Graveyard, EPC Church SA, Bevhula AFM, Tsakani Day Care Centre and local shops (Bevhula General Dealer etc). The road is constructed at Bevhula Village Ward 34. The project commenced on the 11<sup>th</sup> of May 2020 and the anticipated completion date of the 15<sup>th</sup> of December 2022.

Figure 5.23.: Bevhula Ring Road

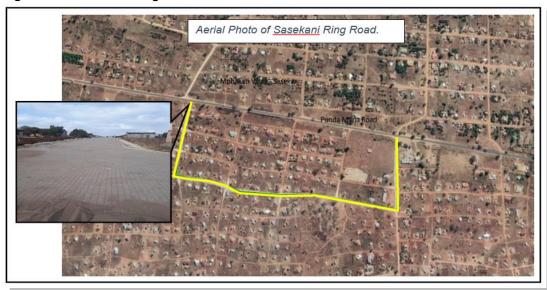

Picture 8 Upgrading of Bevhula Ring Road.

#### vi. Upgrading Of Sasekani Ring Road

The objective of the project is to construct a 1.8km and 7.4m wide road at Mphakati Village ward 27. The communal road provides easy access to households, graveyard, Mphakati Primary School and local shops (Maponisi General Dealer etc). The project commenced on the 18<sup>th</sup> of November 2020 and the anticipated completion date is the 05<sup>th</sup> of November 2020

Figure 5.24.: Sasekani Ring Road

Upgrading of Sasekani Ring Road

#### vii. Upgrading And Construction Of 7,7km Rural Road From Gravel To Tar

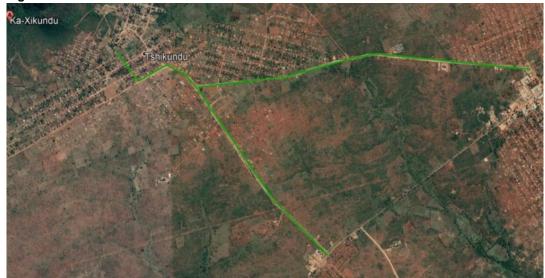

The objective of the project was clearing and grubbing at Xikundu Village ward 28, earthworks cut and fill, installation of an additional storm water culvert and the reinstatement of layer works in the area of the new crossing, Concrete kerbing, channelling and edge beams, 30 mm Asphalt surfacing for milled

141

Vision: "A spatially integrated and sustainable local economy by 2030"

out sections of surfacing or where layer works were reconstructed, road markings, road signs, stone pitching and road finishing. The project commenced on the 19<sup>th</sup> of August 2019 and the project was completed on the 26<sup>th</sup> March 2020.

#### Table 5.24.: Municipal Service and infrastructure development challenges

Challenges

Shortage of electrical and mechanical equipment, tools and materials

Shortage of human resource capacity

Service deliver to the community is not continuously rendered.

High level rate crime

Road

Shortage of graders

Machinery Breakdown

Lack of mechanic expertise.

Lack of General workers to assist in repairing of potholes and road marking services.

Heavily eroded roads due to rains are left with gulleys and Dongas where in it impossible to utilise the grader to fix the road.

Delay in the appointment of service providers

Poor performance by service providers

Shortage of staff

Community Services

Testing station not testing driving license (code A) of a Motor Cycle on a DLTC, we need to upgrade the DLTC to grade A.

We are not testing Heavy motor Vehicle for Road Worthy test, because we are grade B , we need to upgrade to grade A.

No digital camera to capture tested motor vehicle at VTS.

No office space to accommodate both traffic & licensing officials

Backlog

Shortage of staff (Examiner for Driving license, licensing Clerk Admin Clerk & Record Officer).

No licensing vehicle, budget to be allocated and A double cab vehicle need to be purchased

Shortage of water in the testing station & poor sanitation facility.

No shelter for staff car parking's

No Road Safety Promotional material

No Office Accommodation

No towing truck

No Call Centre

Unavailability of a pound centre for stray animals

No pound station for impounded public motor vehicles(Bus &taxis)

Shortage of staff

Summons are not captured

Waste Management

No Developed waste bylaws, the division to develop by-law pertaining to waste management issues

144

Vision: "A spatially integrated and sustainable local economy by 2030"

Accumulation of illegal dumping's mushrooming within Collins Chabane open spaces.

Unable to render refuse removal services on daily basis from Hlanganani to Mtititi

Unable to render green school competitions, cleanest ward and cleanest household competition to minimize illegal dumping's and transferring environmental education.

Inability to offer clean up campaigns monthly due to shortage of staff and budget

Shortage of general assistance who will be reporting at Saselemani & Njhakanjhaka.

Accumulation of pampers along the main roads, no proper storage/collection stations for pampers

Backlog of refuse collection due to vehicle breakdown & high volume of waste accumulated by shop owners especially during festive& Easter seasons.

Households using different types of storage containers for waste such as plastics, zinc containers, wheelbarrows etc.

Consumption of fuel cost due long distance travelling of refuse vehicle to landfill site

Refuse removal employees experiencing injuries on duty.

Provision of less amount of uniform to each employee, proper sanitation with showers, lockers and change rooms.

Inability to render Extension of refuse removal services, monitoring of waste on different nodal points, monitoring of G.A on a daily basis due to shortage of staff (drivers, foreman, team leaders & G.A)

Poor revenue collection strategies.

Parks and Cemetery

Lack of establishment of more parks within Collins Chabane Nodal points

No piece of land within the Municipal nodal points set aside for the purpose of establishing Collins Chabane Cemeteries.

Poor sanitation facilities within Xithlelani cemetery

Lack of cemetery administrator, for access control and monitoring

Social service

No vehicles to transport special program members ( a 22 seater mini bus )

No disaster relieve budget

Disaster management plan & relieve budget has not been approved

Disaster management policy not developed

No disaster management forum

No Disaster vehicles

No Disaster materials Storage room

Unavailability of Disaster management uniform, tent & tables

No allocation of Special Program budget

Shortage of the following staff: 01 HIV/AIDS coordinator, 01 youth Coordinator, 02 Disaster management coordinator, 01 Horticulturist, 01 Environmental Health Coordinator, 01 Sport Coordinator, and 11 horticulture General Assistant

Youth Council, Gender forum. Men's Forum, Children, Older person & Disability not Launched official, Office of the Mayor was not available to Launch the forum.

Shortage of personnel to facilitate all special program activities

Lack of Maintenance and addressing challenges in all Municipal facilities (such as Njhakanjhaka hall, boxing gym etc. and sporting facilities such as Bungeni stadium and Merwe)

Insufficient clearing of bush within Municipal facilities & along the roads / grass cutting/ tree pruning due to shortage of staff

#### **CHAPTER 6: LOCAL ECONOMIC DEVELOPMENT**

Local Economic Development is an approach towards economic development which allows and encourages local people to work together to achieve sustainable economic growth and development. This brings economic benefits and improved quality of life for all residents in a local municipal area. LED is also a "process by which public, business and non-governmental sector partner's work collectively to create better condition for economic growth and employment generation".

As a section, LED is intended to maximise the economic potential of all municipal localities throughout the country and to enhance the resilience of the macro-economic growth through increased local economic growth, employment creation and development initiatives within the context of sustainable development. The 'local' in economic development points to the fact that the political jurisdiction at a local level is often the most appropriate place for economic intervention.

With the above mentioned facts, Collins Chabane Local Municipality's strived to support; encourage and/or to implement programmes to enrich its local people through the following initiatives: Cooperative(s) Support Grant Programme; Community Work Programme (CWP) and Extended Public Works Programme (EPWP). The programmes has been advanced as a critical solution for poverty alleviation; unemployment and previously disadvantaged individuals in most of Collins Chabane Local Municipality's nodal points.

#### 6.1. CCLM CO-OPERATIVES SUPPORT GRANT PROGRAMME

The Cooperatives Support Grant Programme have been implemented by the municipality, to address the socio-economic challenges within the Collins Chabane Local Municipality. However, it is urged to create positive hype to job creation locally. For the 2019/20 financial year an amount of R1 500 000 was budgeted and the same amount is budgeted for the current financial to continue with the support of the cooperatives. The support makes a significant strides in terms of job creation and the elimination of poverty among communities. Below are some of the existing Cooperative entities amongst others that are supported by the municipality.

Statistically, 92.9% depicts the employment created by Co-Operative entities within Collins Chabane Local Municipality whereas 7.1% are recorded as casual employees within the Cooperative entities throughout the CCLM nodal points.

Figure 6.1.: Cooperative Entities

146

Vision: "A spatially integrated and sustainable local economy by 2030"

Some of the existing Cooperatives supported by Collins Chabane Local Municipality's Support Grant Programme 2018/2019

#### 6.2. BUSINESS BREAKFAST

The Municipality hosted its first successful business breakfast session under theme "growing local economy" lt was held during the month October 2019.

The following gains has been derived:

- Local business people were able to engage on the imperatives and significance of local economy and how best they can contribute to job creation.
- Explored the opportunities that the local economy is presenting and how the make good out of those opportunities.
- Identify the impediment that contributes to slow economic activities in the local economy and came out with mitigating factors to counter the impediments.
- Network and share best practices.

Observing the COVID 19 regulation the 2020 Business breakfast could not sit but the municipality is on a plan revive it in the next financial year.

#### **6.3. IMPLEMENTATION OF EPWP PROJECTS**

The Expanded Public Works Programme (EPWP) is a nation-wide Government Programme aiming at drawing significant numbers of unemployed into productive work, so that they increase their capacity to earn an income. The Expanded Public Works Programme (EPWP) was initiated in 2004 with the primary goal of reducing unemployment across South Africa. The EPWP provides labour intensive employment created through the infrastructure sector, social sector, environment sector as well as the non-state sector.

These sectors under the EPWP therefore have a dual purpose namely, job creation and upgrading of infrastructure. The persistently high rate of unemployment in South Africa is one of the most pressing socioeconomic challenges facing the Government and Collins Chabane Local Municipality is not immune to these challenges. High youth unemployment in particular means young people are not acquiring the skills or experience needed to drive the economy forward.

Therefore, job creation and skills development remains the key priorities of the Collins Chabane Local Municipality. EPWP targets are set annually by the National Government, which the Municipality is expected to achieve. With the introduction of the EPWP phase III, the Municipality has performed well in terms of job creation, by achieving their target for the first year. Currently most jobs are created through Capital projects as well as Operational projects, and quite a significant amount of jobs are created through Water and Sanitation, Waste Management, Roads and storm water, Environment Management and Transportation Projects.

Collins Chabane is participating in EPWP Incentive grant programme. In 2017/2018 financial year the programme created 197 jobs opportunities and in 2018/2019 financial year 203 job opportunities were created. Electrification of Collins

147

Vision: "A spatially integrated and sustainable local economy by 2030"

Chabane Local Municipality's communities, and also Road Construction namely: DCO-Malamulele Hospital Road Construction, Mtswetweni/ Njhakanjhaka Ring Road; N'wamatatani Ring Road whereas Electrification community work is done for Menele and Mavambe communities together with infrastructure maintenance.

#### 6.3.1. EPWP is divided into the following sectors

- Infrastructure-the sector is responsible for the maintenance of infrastructure and related projects
- Environmental and Cultural sector-the sector is responsible for town cleaning, waste collection, cemeteries cleaning and parks beautification
- Social Sector-the sector is responsible for the HIV programmes, Home-based care and security services

#### 6.4. LOCAL SKILLS BASED

Skills-based is the practice of employers setting specific skill or competency requirements or targets. Skills and competencies may be cognitive (such as mathematics or reading) or other professional skills, often commonly called "soft" skills (such as "drive for results" or customer service).

#### 6.5. ECONOMIC ANALYSIS

The function of LED is to promote the following:

- Agriculture
- Mining
- Manufacturing
- Tourism
- Business and Trade

Table 6.3.: Profile of key economic sectors and their contributions to GDP and Labour in the CCLM Area

| Sector             | % GDP | % Labour |
|--------------------|-------|----------|
| Agriculture        | 2     | 8,3      |
| Mining             | 9     | 0,8      |
| Manufacturing      | 3     | 5        |
| Electricity        | 7     | 1        |
| Construction       | 5     | 11       |
| Trade              | 17    | 26,5     |
| Transport          | 5     | 4,4      |
| Finance            | 18    | 8,6      |
| Community Services | 34    | 34,4     |

#### **6.6. ECONOMIC PERFORMANCE INDICATORS**

Performance indicators measure the rate at which the economy of CCLM is growing compared to other regions. The table below indicates that CCLM has been having a moderate growth over the last 3 years of its existence. Employment growth rate is at 3,9% higher than the National employment growth rate by more than 2%. All available resources will have to be employed to the maximum capacity to change this situation on production.

Table 6.4.: Economic performance

| Indicators              | CCLM | National | Rank |
|-------------------------|------|----------|------|
| Employment Growth       | 3,9% | 1,6%     | 12   |
| Household Income Growth | 0,6% | 0,2%     | 100  |

Source: IHS Markit

The highest employing sectors in the CCLM as well as the District are Community Services, Trade, Construction, Agriculture and Manufacturing respectively. The mining sector is the least contributor to employment in CCLM at less than 1% (485) compared to other sectors. It is critical to also mention that of the 66 000 people employed in 2017, 44 600 which is about 67.55% is formally employed, whereas the informal sector accounts for 21 400 (32.45%) of total employment. Table below outlines the concentration of informal and formal employment across the sectors.

Table 6.6.: Employment sectors

| Sector        | Formal | Informal | Overall %<br>Contribution | Ranking |
|---------------|--------|----------|---------------------------|---------|
| Agriculture   | 5 020  | -        | 7,6%                      | 5       |
| Mining        | 485    | -        | 0,7%                      | 10      |
| Manufacturing | 1 510  | 1 520    | 4,5%                      | 8       |

| Households         | 5 810  | -      | 8.8%  | 4 |
| Total (66 000)     | 44 589 | 21 411 | 100%  |   |

Source: IHS Markit

The fact that the informal market is able to generate employment that is more than 50% in sectors such as trade, construction and manufacturing signifies huge potential for growth in CCLM. It further indicates that the economy in CCLM will not take long to boom should it stimulated with a good catalyst in a form of capital injection in sectors such as construction, manufacturing and trade (tourism and retail). Unemployment in CCLM was estimated at 20,41%, which is lower than the 27,1% National unemployment rate in 2017.

Formal and informal employment by sector Collins Chabane, 2017 20 000 18 000 16 000 14 000 12 000 10 000 8 000 6 000 4 000 2 000 Community services Households Formal employment Informal employment Source: IHS Markit Regional eXplorer version 1417

Figure 6.2.: Employment Sector

The graph shows both the formal and informal employment sectors. However, it shows that the highest employment sector offers community services it is then followed by trade indicating that the Municipal trade industry must also be strengthened for it generate most jobs for the community. Agriculture also play a vital role in food production and employment though it is affected in none rain climate conditions.

The informal sector also plays a vital role on the Municipal economic grid. A high number of people is recorded on the trade industry being the major contributor of jobs and subsistence. Construction is also role player of creating employment in the informal sector followed by community services.

#### 6.8. HOUSEHOLDS BY INCOME

This table below shows the number of households by income. A highest number of 13,100 households are earning for R30 000 - R42 000 when only 12 households are earning for R0 - R2400.

152

Vision: "A spatially integrated and sustainable local economy by 2030"

| 2008 | 32.0%  | 29.7%  | 28.4%                    | 23.6%                 |
| 2009 | 29.4%  | 27.1%  | 26.4%                    | 23.8%                 |
| 2010 | 26.7%  | 24.6%  | 24.3%                    | 24.89                 |
| 2011 | 23.2%  | 21.4%  | 21.5%                    | 24.9%                 |
| 2012 | 21.6%  | 19.8%  | 20.0%                    | 25.09                 |
| 2013 | 20.3%  | 18.5%  | 18.8%                    | 25.19                 |
| 2014 | 19.5%  | 17.8%  | 18.1%                    | 25.19                 |
| 2015 | 19.9%  | 18.2%  | 18.6%                    | 25.5%                 |
| 2016 | 20.7%  | 19.0%  | 19.7%                    | 26.49                 |
| 2017 | 20.4%  | 18.7%  | 19.5%                    | 27.29                 |
|      | Market Ma | Sou    | urce: IHS Markit Regiona | eXplorer version 141  |

This table shows a decreasing rate on unemployment over the years. In 2007 it was 34% of the total population that was unemployed.

Figure 6.3.: Unemployment Rate

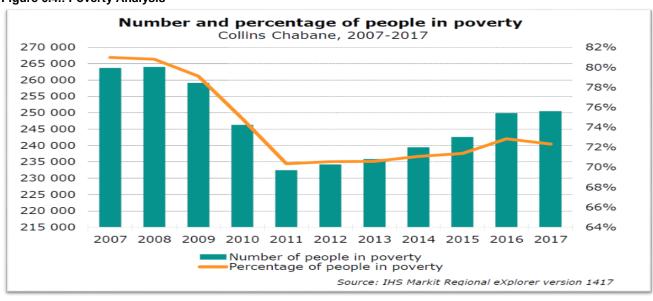

Source: IHS Market regional explorer version 1417

There is a decreasing trend from 2007 to 2017 where in 20% of unemployment was recorded for 2017.

#### 6.7.2. SITUATION ANALYSIS FOR POVERTY

Figure 6.4.: Poverty Analysis

Source: IHS Market regional explorer version 1417

The poverty gap is used as an indicator to measure the depth of poverty. In 2017, there were 250 000 people living in poverty, using the upper poverty line definition, across Collins Chabane Local Municipality - this is 5.01% lower than the 264 000 in 2007.

154 Vision: "A spatially integrated and sustainable local economy by 2030"

#### 6.9. LED Strategy

The Municipality has managed to develop an LED strategy which was adopted by the council by the end of the last financial year. The LED strategy is used as a municipal guiding principle to stimulate and grow local economy and ultimately create the much needed jobs by making better use of the available resources.

#### 6.10. LED By-Laws

- The Municipality has managed to prepare the following By-Laws
- Carwash
- Street Trading
- Outdoor Advertising
- Tuck shop/ Spaza shop
- Hardware Storage

#### 6.11. Local Economic Development challenges

#### Table 6.7.: LED Challenges

| Challenges         |                       |                    |                     |   |  |

# CHAPTER 7: MUNICIPAL FINANCE MANAGEMENT AND VIABILITY

#### 7.1. FINANCIAL VIABILITY

#### 7.1.1. Legislative Framework

The finances of the Collins Chabane Local Municipality are regulated by the following legislations:

- ❖ Local Government: Municipal finance Management Act No 56 of 2003.
- ❖ Local Government: Municipal Property Rates Act NO 6 of 2004.
- Division of Revenue Act.
- Municipal Finance Management Circulars issued by National Treasury.

Furthermore, the budget related policies of the municipality are taken into consideration with preparing and implementation of the budget to ensure financial sustainability.

#### 7.1.2. Overview of Budget funding

Collins Chabane Local Municipality annually prepares the Medium-Term Revenue Expenditure Framework (MTREF) budget that is informed by the annual review of the Integrated Development Programme (IDP). The Budget is prepared in terms of Chapter 4 of the Municipal Finance Management Act (MFMA).

Section 17 of the MFMA requires that an annual budget must be a schedule:

- Setting out realistically anticipated revenue for the budget year from each revenue source.
- Appropriating expenditure for the year under different votes of the municipality.
- Setting out indicative revenue source and protected expenditure by vote for the two financial years following budget year.

In the preparation of 2020-2022 MTREF budget, the municipality considered its 2016/17 to 2018/19 and the current year's budget and interim performance for the year ended February 2019. Furthermore, the following factors were also considered.

- Line item budgeting
- Incremental budgeting
- Zero-based budgeting
- Programme budgeting and
- Performance budgeting.

Collins Chabane Local Municipality continued to report a positive cash flow from the 2016/17 financial year to date which was informed by the systems that have been put in place in the budget administration of the municipality. The budget of the municipality is divided into the revenue, operating expenditure and capital expenditure budgets and will be explained individually.

#### 7.2. BUDGET AND TREASURY OFFICE

The Municipality has established Budget and Treasury Office as required by Section 80 of the MFMA. The department is presently led by the Chief Financial Officer with five managers in each unit, namely; Asset Management, Budget and Reporting, Expenditure, Revenue and Supply Chain Management units. The five managers are supported by eight accountants across the department.

The Municipality has approved all budget related policies as required by Municipal Budget and Reporting Regulations, however, standard operating procedures are still under review.

#### 7.3. REVENUE MANAGEMENT.

The municipality bills and collects property rates and refuse removal services for Malamulele and Vuwani townships, surrounding farms and government institutions. Other sources of revenue include:

- Licenses and permits
- Agency fees
- Interest income
- Rental of facilities
- Traffic fines, penalties and forfeits
- Other income (sales of tender documents, licensing and renewal of spaza shops, clearance certificates)

The total average revenue collection rate of the municipality is currently at 18%, with 20% and 3% for Malamulele and Vuwani townships respectively.

The debtor's age analysis is comprising of the following:

Commercial
 Government
 R 5 880 000
 R 35 367 000
 Residential
 R 48 582 000

Table 7.1.: Below is a summary of municipal revenue and sources over the past three years

|         | 2016/17     | 2017/18     | 2018/19     |
|---------|-------------|-------------|-------------|
| Own rev | 365 172 043 | 72 995 459  | 61 120 080  |
| Grants  | 290 103 409 | 429 447 148 | 450 458 142 |
| Total   | 655 275 452 | 505 442 607 | 511 578 222 |

A growth of 1.9% was recorded between the financial years 2017/18 and 2018/19. The growth is due to increased allocations of grants and subsidies from national government. The municipality remains dependant on grants and subsidies with own revenue of 5.9%, 14.5% and 11.9% against grants and subsidies of 88.3%, 85.5% and 88.1% in 2016/17, 2017/18 and 2018/19 financial years respectively.

#### **CHALLENGES**

The following challenges were experienced:

- Billing not done as per the approved schedules
- Statements of account return by the Post Office.
- Lack of records for enquiries lodged by customers and
- Reconciliation between billing report and master valuation roll not performed on monthly basis.

#### 7.4. OPERATING EXPENDITURE

The operating expenditure budget of the municipality is made of the following part MTREF period.

**Table 7.2.: Operating Expenditure** 

| Description                       | 2017/18 | 2018/19 | 2020/21 | 2020/21 | 2021/22 |
|-----------------------------------|---------|---------|---------|---------|---------|
|                                   | 000'000 | 000,000 | 000'000 | 000'000 | 000,000 |
| Employee related cost             | R 60    | R 83    | R 131   | R 140   | R 149   |
| Remuneration of councillors       | R 25    | R 26    | R 28    | R 30    | R 31    |
| Debt Impairment                   | R 9     | R 10    | R 11    | R 12    | R 12    |
| Depreciation and Asset Impairment | R 15    | R 14    | R 24    | R 25    | R 27    |
| Finance Charges                   | R 10,41 | -       | -       | -       | -       |
| Other material                    | R 3     | R 4     | R 11    | R 12    | R 4     |
| Contracted services               | R 28    | R 66    | R 72    | R 52    | R 55    |
| Transfers & Subsidies             | -       | -       | R 8     | R 8     | R 9     |
| Other Expenditure                 | R 33    | R 74    | R 70    | R 74    | R 77    |
| Total                             | R 177   | R 279   | R 340   | R 350   | R 356   |

The municipality has appointed personnel mainly in the 2018/19 financial year, to enhance the employee related costs. Further appointments will be made in the 2020/21 financial year. There appointment of personnel which lead the increased activities in the municipality has had a direct upwards impact on the budget for other expenditure. In ensuring effectiveness and efficiency of expenditure management, the municipality has implemented amongst others, the following policies.

- Budget Policy,
- Cash Management Policy,
- Supply Chain Management Policy and
- Virement Policy.

Cost Containment measures are in place and focus on managing the following expenditure items:

- Travel and related costs,
- Catering and events,
- Travelling and subsistence and
- Overtime.

#### 7.5. SUPPLY CHAIN MANAGEMENT SECTION

To enhance compliance with SCM Regulation 26 for Committee System for Competitive Bids, the following committees were established:

- Bid Specification Committee
- ❖ Bid Evaluation Committee
- Bid Adjudication Committee

To promote Good Governance, members of the committees are appointed while considering Section 117 of the Act. Furthermore, the SCM Code of Conduct was also circulated to all internal stakeholders.

158

Vision: "A spatially integrated and sustainable local economy by 2030"

| Challenges                                   |
|--|
| Lack of training for bid committees          |
| Lack of confidentiality                      |
| Lack of personnel                            |
| Delays on appointment processes (Committees) |

The municipality is still experiencing challenges of late appointments and sitting of bid committees. This has resulted in delayed appointments of service providers causing the Municipality not meet its targeted goals as per Service Delivery Budget Implementation Plan (SDBIP). Furthermore, there is generally lack of knowledge by bid committee members in leading to wrong bid specifications been submitted. From 2016/17 to 20219/20, the Municipality has cumulatively incurred:

- Unauthorised expenditure reported of R154 213,313
- ❖ Irregular expenditure of R51 589 064.00
- Fruitless and wasteful expenditure R814 298

#### 7.6. BUDGET AND REPORTING SECTION

The Budget and Reporting section is comprised by the manager and two accountants. The Municipality has submitted all its section 71 reports for the period ending March 2020. There is however still challenges of accuracy of the data strings as required by the Municipal Standard Charts of Accounts (mSCOA) and Schedule C.

#### **Operational Budget**

Table 7.3.: The actual operational expenditure of the municipality over the past 3 financial years is as follows:

| 2016/17<br>Budget | 2016/17 actual | 2017/18 budget | 2017/18 actual | 2018/19 budget | 2018/19 actual |
|-------------------|----------------|----------------|----------------|----------------|----------------|
| 237 864 000       | 132 235 000    | 184 182 000    | 177 313 000    | 268 722 000    | 279 091 293    |

The over-expenditure in 2018/19 is mainly due to the transfer of electrification projects of Mavandla/Mavambe and Mavambe/Makumeke to Eskom at a cost of R18, 406 million.

#### **Capital Budget**

The capital budget of the municipality is funded from own revenue and Grants and subsidies (Municipal Infrastructure Grant and Integrated National Electrification Programme)

The Budget against the actual Capital expenditure of the municipality over the past 3 financial years is as follows:

| 2017/18 Bud | 2017/18 Exp | 2018/19 Bud | 2018/19 Exp |
|-------------|-------------|-------------|-------------|
| 189 530 000 | 127 048 000 | 189 769 000 | 171 669 000 |

The actual expenditure trend against the budget over the past 3 financial years is: 59.9%, 67% and 90.5% for 2016/17, 2017/18 and 2018/19 respectively. In 2018/19 financial year, the municipality achieved an expenditure of 100% on

159

Vision: "A spatially integrated and sustainable local economy by 2030"

Municipal Infrastructure Grant (MIG) and Integrated National Electrification Programme (INEP) meaning that there were no rollovers for these grants.

#### 7.7. BUDGET RELATED POLICIES

The Municipal budget and Reporting Regulations requires the municipality to submit to council with the Budget, budget related policies. The following policies were revised and submit for approval by council.

- Supply Chain Management Policy
- Budget Policy
- Virement Policy
- Tariff Policy
- Rates policy
- Investment and Cash Management Policy
- Indigent Policy
- Credit Control Policy
- Asset Management Policy
- The municipality has appointed a service provider to finalize and ensure the gazetting of the by-laws.

#### 7.8. ASSETS MANAGEMENT SECTION

The Municipality has established the Asset Management section as per approved organizational structure. There is a manager responsible for assert management however some of the asset management functions are been outsourced. As much as the Municipality's asset register is GRAP compliance, the asset register is mainly updated at year end.

#### Challenges

#### Lack of personnel

Decentralisation of fleet management and inventory section

#### 7.9. EXPENDITURE MANAGEMENT SECTION

The Municipality has established the expenditure management unit presently having three officials, the manager and two accountants. Generally, the expenditure management section is functioning well, however, there are still challenges on payment of service providers within 30 days as required by section 65 of the MFMA. The fruitless and wasteful expenditure has from R1 125 367 in 2016/2017, R 740 286 in 2017/2018 and R814 298 in 2018/19 financial years. These represent the decrease from 2016/17 to 2017/18 financial year by 34% and a further increase of 10% from 2017/18 to 2018/19 financial year.

#### Challenges

Non-compliance to section 65(2) of the MFMA which states that all monies owed to the municipality be paid within 30 days of receiving the invoice or statement.

#### 7.10. MSCOA

Collins Chabane Local Municipality is transacting on mSCOA. Reporting remains a problem and is a process that with be embark on in the 2020/21 financial year to ensure full compliance with mSCOA reporting requirements.

160

Vision: "A spatially integrated and sustainable local economy by 2030"

#### 7.11. SOCIAL PACKAGE

The municipality has approved an indigent policy which makes it possible for provision of free basic service for qualifying households as determined by council from time to time. All qualifying indigents make an application to the municipality personally or through targeted method used by councillors and ward committee members. The qualifying indigent's households do not pay property rates, and refuse removal and receive 50 kWh per month from the municipality through Eskom. A budget is made available yearly through the equitable share allocation for the provision of free Basic Services.

#### 7.12. MUNICIPAL FINANCE MANAGEMENT AND VIABILITY CHALLENGES

| Challenges  |
|---|
| Table 7.4.: Finance Challenges  |
| Shortage of staff in Budget and Treasury Office                         |
| No standard operating procedures  |
| Low collection rate   |
| Incomplete billing  |
| Wrong postal or not postal address                                      |
| Increased debtors book  |
| Revenue enhancement strategy not implemented                            |
| Incorrect data strings  |
| Low percentage of budget spending                                       |
| Payments not done within 30 days  |
| Third parties schedule not send on time after payment                   |
| Incurring of fruitless and wasteful expenditure                         |
| Lack of knowledge of SCM and PPPFA regulations by bid committee members |
| Increased irregular expenditure   |
| Late submission of procurement plans                                    |
| Submission of incorrect specification                                   |
| Late sittings of bid committee members                                  |

# CHAPTER 8: GOOD GOVERNANCE AND PUBLIC PARTICIPATION

Good governance is at the heart of the effective functioning of Municipalities. One of the objectives of Local governance is to encouraged active citizenry in the matter of local government hence Local is everyone's business. One of the key pillars or performance area Back to Basic is Good Governance, Public Participation, and Ward Committee.

The focus of this pillar is to assess the running of council, establishment and functionality of the ward committees, assess the extent at which Public Participation is encouraged, and the level of corporate governance in the Municipality, therefore Municipalities are expected to use various form of systems in order to involvement communities in the matter of Local government.

#### **8.1. COUNCIL AND COMMITTEES**

The Council had adopted the Corporate Calendar for 2018/2019 which had to be used as a guide in all its Council Meetings and Section 79 Committees and other Council Committees. 33 Ward Committees out of the possible 36 Ward Committees have been established and are executing their responsibilities and/or functions except for 03 Ward Committees from the possible Ward Committees around Vuwani nodal point. EXCO meetings are held as per the Corporate Calendar. Financial Misconduct Disciplinary Board has been established and appointed by Council

#### 8.2. PUBLIC PARTICIPATION AND COUNCIL SUPPORT

According to Section 16 (a), a municipality must develop a culture of municipal governance that complements formal representative government with a system of participatory governance, and must encourage, and create conditions for, the local community to participate in the affairs of the municipality.

The relationship between the Municipality and its stakeholders is very important. Stakeholders are not only local people. They include Sector Departments and their agencies, as well as people, organizations and institutions. Stakeholders include people and institutions that impact directly and indirectly on the organization, and they can include people who may not even be aware that they have a stake in the management of these organizations.

The primary aim of stakeholder *identification* is to name all those who could and should have a stake in a planning and management process.

# The following is a list of key stakeholders for Collins Chabane Local Municipality | Traditional Authorities | Community | Business Sector | Traditional Healers | Government Departments | Education Sector | Non-Governmental Organisations | Transport Sector | Labour Unions | Financial institutions | Farmers | Civic organisation | Religious groups

#### 8.3. IMPLEMENTATION OF THE COMMUNICATION STRATEGY AND POLICY

Communication is an important element of Good Governance. It is through communication that the communities and other stakeholders are informed about the activities, challenges and achievements of the municipality and thereby getting empowered to participate in the affairs of the municipality. Section 18(a) of the Municipal Systems Act (Act 32 of 2000), a municipality must communicate to its community information concerning the available mechanisms, processes and

162

Vision: "A spatially integrated and sustainable local economy by 2030"

procedures to encourage and facilitate community participation. It further stresses the importance of communication between the Council and its communities.

The Municipality is currently implementing both the Communication Strategy and Communication Policy. The Communication forums and Mayor's Imbizos are organized on quarterly basis. Newsletter are distributed to all stakeholders on quarterly basis.

Due to the Covid 19 pandemic, the municipality is taking advantage of new electronic and social media channels as catalysts to improve the manner in which information reaches communities and other stakeholders. These include communication through mobile phones technology in the form of What'sApp, Virtual Meetings, SMS, chat groups, Radio, Facebook, Twitter, YouTube etc.

#### **8.4. RISK MANAGEMENT**

Risk Management is one of Management's core responsibilities in terms of section 62 of the Municipal Finance Management Act (MFMA) and is an integral part of the internal processes of a municipality. It is a systematic process to identify, evaluate and address risks on a continuous basis before such risks can impact negatively on the service delivery capacity of a Municipality.

The Risk Management Policy, Risk Management Strategy and Risk Management Committee Charter were reviewed and approved. The Risk Implementation plan for 2019/2020 was submitted to the Risk Management Committee and approved by the Accounting Officer. The Strategic, operational, Fraud and mSCOA registers for the 2019/20 financial year were developed. Quarterly Risk Management reports were submitted to Risk Management Committee, Audit and Performance Committee

#### 8.4.1. Top 10 Strategic Risks Identified

- 1. Ageing & insufficient infrastructure (e.g. Public Theaters, Libraries recreation facilities)
- 2. Theft and vandalism of municipal properties
- 3. Non-compliance to regulatory framework within OHS practices and Policy
- 4. Ineffective involvement of public in municipal processes
- 5. Illegal land use and illegal advertisement
- 6. Water scarcity
- 7. Low Revenue collection /Low Revenue Base
- 8. Inadequate ICT infrastructure (Not keeping with the current ICT developments)
- 9. Fraud and Corruption
- 10. Ineffective coordination of spatial planning

#### 8.4.2. Risk Management Committee

The municipality has appointed the Chairperson of the Risk Management Committee in April 2019. The Risk Management Committee had one meeting in 2018/19 financial year.

| The Risk Management Committee is comprised of the following members:    |
|---|
| Chairperson- Independent person not in the employee of the municipality |
| □All Municipal Directors-Members  |
| ☐Manager: Risk Management Champion- secretary                           |

#### 8.5. INTERNAL AUDIT

According to chapter 14, section 165 of the Municipal Finance Management Act, 2003 (Act 56 of 2003), each municipality and each municipal entity must have an internal audit unit. Collins Chabane Local Municipality has a fully functional Internal Audit Unit established in terms of the Act. The primary objective of Internal Audit division is to assist the Municipal Manager and the Audit and Performance Audit Committee in the effective discharge of their responsibilities. Internal Audit provide them with independent analysis, appraisals, recommendations, councel and information concerning the activities reviewed, with a view to improving accountability and service delivery.

163

Vision: "A spatially integrated and sustainable local economy by 2030"

Section 62(1) (c) (ii) of the MFMA requires internal audit to operate in accordance with prescribed norms and standards. This would imply that Internal Audit Activity should apply the Standards for the Professional Practice of Internal Audit (SPPIA) in the execution of its functions.

The purpose of the Standards is to:

- Delineate basic principles that represent the practice of internal auditing
- Provide a framework for performing and promoting a broad range of value-added internal auditing
- Establish the basis for the evaluation of internal audit performance
- Foster improved organisational process and operations

#### 8.5. 1. Audit Committee and Performance Audit Committee

The Municipality established Audit and Performance Committee. The Audit and Performance Audit Committee (APAC) is a committee of Council primarily reputable to provide independent specialist advice on financial performance and efficiency, compliance with legislation, and performance management. A combined committee was appointed to represent both Performance Audit and Audit Committees in compliance to section 166 of MFMA no 56 of 2003 and section 14(2) of Municipal Planning and Performance Management Regulations. The Audit and Performance Audit Committee must liaise with Internal Audit in terms of Section 166(3) (a).

The Audit and Performance Audit Committee must ensure that the strategic internal audit plan is based on key areas of risk, including having regard to the institution's risk management strategy. The Committee reviews the work of Internal Audit through the internal audit reports. APAC operate in terms of approved Charter which outline the role, responsibilities, composition and operating guidelines of the committee of Collins Chabane Local Municipality and report to Council quarterly.

#### 8.5.2. Internal Audit Policy Documents

Internal Audit Charter and Internal Audit methodology developed and approved by the Audit and Performance Committee.

#### 8.5.3. Risk Based Internal Audit Plan

The three-year internal audit plan was developed so as to mitigate all audit risks and corrective measures thereof. It was approved by the Audit and Performance Committee. Annual internal audit plan was developed, approved and is currently being implemented. There is a plan to outsource some of the projects since the unit is not adequately resourced.

#### **8.6. AUDIT AND PERFORMANCE COMMITTEE**

The municipality has appointed Audit and Performance Committee, sadly the Municipality lost one member due to bereavement, however, an additional member with IT Expertise has been appointed. The Committee is meeting on a quarterly basis. Audit and Performance Committee charter was developed and approved by Council.

#### **8.7. EXTERNAL AUDIT**

The municipality has improved from a Qualified Audit Opinion to an Unqualified Audit Opinion, however, an Audit Action Plan has been developed and it is monitored by the internal audit and management on month basis to ensure improved audit opinion.

#### 8.8. ICT INFRASTRUCTURE

#### Table 8.1.: ICT Infrastructure

| Item    | Status   |
|---------|--|
| LAN/WAN | Municipal buildings in head office have been connected through fibre solution and Radio link, the connection on the remote sites [Saselamani, Hlanganani and Vuwani] have not yet been concluded by the service provider |

| Server/Data Centre | The environment comprises both virtual and physical servers in the production. These |
|--------------------|--|
| Environment        | are business critical servers used for financial management services, Human Resource |
|                    | services, file management services, directory management services, E-mail, etc.      |

## 8.8.1. Tools of trade Table 8.2.: Tools of trade

| Officials  | Councillors |
|--|-------------|

| Disaster Recovery<br>Solution         | A documented, structured approach with instructions for responding to unplanned incidents with a step-by-step plan consisting of the precautions to minimize the effects of a disaster so the CCLM can continue to operate or quickly resume mission-critical functions <u>Progress</u> |

|                               | The project has been re-advertised as the appointment could not be finalised during 2018-19 financial year. SCM processes with regard to the Bid Evaluation Committee appointment are underway.   |
|-------------------------------|---|
| ICT Steering<br>Committee     | The appointment of the ICT steering committee members has been finalised. This committee sit at least once a quarter to ensure IT investment always aligns to the municipal strategic objectives  |
|                               | <u>Progress</u> The committee appointments have been finalised, the committee already met twice. <u>Challenges</u> None   |
| Implementation of ICT upgrade | The implementation of an ICT upgrade project that will ensure high network stability, security control through the implementation CCTV solution and access control.  Progress   |
|                               | Fibre connectivity, CCTV cameras, Biometric access control, and server room upgrading components of the project have been completed pending the configuration and the teleconferencing components of the project  Challenge   |
|                               | Slow implementation by the service provider   |
| Development of Website        | The newly developed service-based website under the custodianship of the communication unit on behalf of the mayor has been signed-off.  This will position the CCLM as a dependable and trust worthy service focus municipality and will greatly assist the CCLM to communicate its service offerings and programmes amongst others to all the concerned stakeholders.  Progress |
|                               | The website has been finalised and launched.  |

#### 8.9. RECORDS MANAGEMENT SYSTEM AND SWITCH BOARD

Records Management is still a challenge in this institution, however, Records Management System has been installed and implemented. The system has been linked with the municipal IT system. Records capturing will be completed before the end of the second quarter. Records Management Policy has been approved by the council and currently awaiting approval of file plan by the Province. Switch board is operational though not linked to other office facilities

# **8.10.1. FACILITIES MANAGEMENT**

All municipal facilities exept, those in Vuwani and grave yards have security guards. Facilities Management Policy has been approved by council and under implementation. Besides the Facilities Management Policy, Cleaning Procedure Manual has been approved by the council and is being implemented. Two sub-offices have been established: One in Hlanganani with 02 officers from LED, 01 officer from Waste Management. The second one is in Saselemani with 01 officer from Social Services. The municipality has procured furniture for DCO and the Civic Centre.

#### 8.10.2. FLEET MANAGEMENT

Fleet management policy has been approved by council and is being implemented. Currently the municipal fleet is at 43, the number includes light vehicles, heavy duty vehicles and machineries. All municipal fleet is ensured and a tracking system is implanted.

Table 8.5.: CCLM's fleet

| Type of vehicle | Number of vehicle |
|-----------------|-------------------|
| Graders         | 04                |
| Front Loader    | 0                 |

166

| TLBs                               | 03 |
|------------------------------------|----|
| Water tanker                       | 02 |
| Refuse compactor                   | 04 |
| Skip loader                        | 01 |
| Half trucks                        | 02 |
| LDVs                               | 11 |
| Sedans                             | 11 |
| Trailers                           | 04 |
| Fire fighters trucks               | 0  |
| Tipper trucks                      | 0  |
| Refuse supplement trucks           | 0  |
| Tractors                           | 01 |
| High up truck (Electrical vehicle) | 0  |
| Low bed                            | 0  |
| Total                              | 43 |

#### 8.11. MPAC

The MPAC section was established and fully functional. There are 13 members and 1 Section 79 Chairperson and 1 researcher. The committee sits once a month unless if there is a need to sit more than once. The role of the MPAC to check the on municipal spending, municipal asserts and to do site inspections on projects being implemented. The committee deals with matters referred by the council such (UIF) Unauthorised Irregular and Fruitless expenditure, Annual report, Audit report, quarterly financial statements and deviation reports amongst others. After the assessment the hold the municipality accountable during public hearings.

# 8.12. COMMUNITY DEVELOPMENT WORKERS CDW'S

Collins Chabane Local Municipality has 19 operational CDW's. The CDW's are incorporated into the ward committees and are part of the ward committee sittings. They work across the municipality and all Sector Departments. They help in the identification of indigents, housing beneficiaries, identification of service delivery hot spots. They also work together with the CPF's in terms of identifying crime hot spots and prevention. They have close relationship with Traditional Leaders working together for service delivery. CDW's submit their reports on a quarterly base.

### 8.13. COMPLAINTS MANAGEMENT SYSTEM

The municipality uses suggestions books to record all complains, suggestions and complements by the community about municipal services or any other matter that affects the municipality. The books are placed at the rates halls and cluster offices throughout the municipality's clusters where the community frequents. The books are attended to regularly to ensure that the inputs are attended to.

When complains are retrieved from the book, they are forwarded to the relevant Directorate through the Directors office. The Call Centre manned by the Community Services Directorate is available and allows members of the public to report complaints or other service related issues like pipe bursts. Processes are currently underway to improve and implement an integrated will be able to deal with services standards within the municipality.

167

Vision: "A spatially integrated and sustainable local economy by 2030"

The municipality established both Batho Ple and Complaints Management Commiteee and also participates in the District and the Provincial Complaints Management and Batho Pele Forums where management of complaints are entertained with the aim of reducing complaints received. The Municipality attend and resolve to cases from both Premier and Presidential Hotlines.

| 8.13. GOOD GOVERNANCE AND PUBLIC PARTICIPATION CHALLENGES  |
|--|
| Challenges   |
| Poor report writing by Ward Committees   |
| Three (3) Outstanding Ward Committees around Vuwani nodal point which are not yet established due to demarcation challenges.                       |
| Portfolio Committees Some of the Chairperson's indicated that they were not inducted hence they are not clear of their roles and responsibilities. |
| Branding Materials   |
| Unavailability of Risk Management Committee due to unavailability of budget for appointment of the Chairperson of Risk Management of Committee.    |
| Lack of human resources in the unit delaying the implementation of the annual internal audit plan  |
| Unstable IT network  |
| Facilities Management  |
| Switchboard Operation  |
| Records Management   |

#### 9.5. OCCUPATIONAL HEALTH SERVICES

A draft of safety plan has been developed for all contractors to comply with.

All construction project Safety file were assessed and approved for safety considerations during construction Two injury on duty cases were reported, compensation processes for injured employees as not yet been finalized All qualifying employees for uniforms were issue with a Protective Clothing.

The Municipality has successfully registered with COIDA.

#### 9.6. LABOUR RELATIONS

The Municipality established a Local Labour Forum and it is functional. The forum's purpose is to create and maintain good relation between employer and the organized labour by discussing and resolving of labour matters. The Labour forum has labour party representatives from SAMWU and IMATU. Also part of the forum is Municipal councillors and officials. The structure meets quarterly on a normal basis unless there are pressing issues to attend to that must go to council.

#### 9.7. DISPUTES AND DISCIPLINARY ENQUIRIES CASES

The Municipality established a Local Labour Forum and it is functional. The forum's purpose is to create and maintain good relation between employer and the organised labour by discussing and resolving of labour matters.

#### 9.8. PERFORMANCE MANAGEMENT SYSTEM

Chapter 6 of the Local Government: Municipal Systems Act makes provision for the establishment of the performance management system in municipalities. The establishment of the performance management system is meant to assist the municipalities to monitor, measure and evaluate its performance against its developmental targets that are set in the IDP. Performance management is a systematic process by which a municipal organisation involves elected representatives, administration and communities in improving organisational effectiveness in the accomplishment of legislative mandates and strategic imperatives. It is intended to manage and monitor service delivery progress against the identified strategic objectives and priorities in the IDP.

The Municipality developed and approved the Performance Management Framework Policy and it is currently under implementation. This is where the Service Delivery and Budget Implementation Plan (SDBIP) is developed. The development of the SDBIPs is a requirement under the Municipal Finance Management Act (MFMA) and gives effect to the Municipality's Integrated Development Plan (IDP) and annual budget.

The SDBIP is an expression of the objectives of the Municipality, in quantifiable outcomes, that will be implemented by the administration for the municipal financial year. The SDBIP includes the service delivery targets and performance indicators for each quarter that should be linked to the performance agreements of senior management.

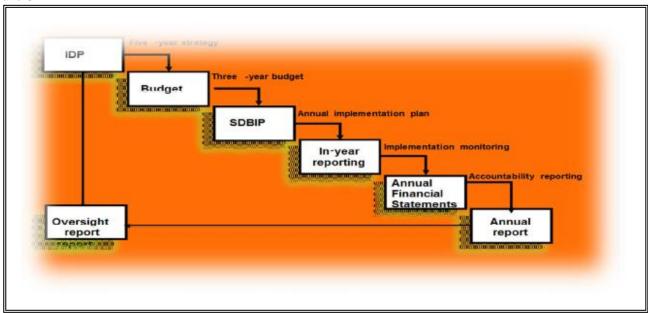

The 2020/21 SDBIP was signed by the mayor on the 28 June 2020 and submitted to COGHSTA and also uploaded on the website as per MSA 32 of 2000. All senior Managers has signed Performance Agreements for 2020/21 Financial Year and Performance Agreements were uploaded on the website and submitted to COGHSTA. The Municipality is currently implementing PMS at organizational level inclusive of Senior Management and managers and it will be cascaded down to all employees in phases.

The automated PMS system has been procured and employees are currently undergoing training. Performance management report are been submitted on quarterly basis and uploaded on the website. Performance committee is not yet established, however the municipality is utilising audit committee to perform the responsibilities of performance audit committee.

191

# 9.8.1. Linking Planning, Budgeting, Implementation

The IDP implementation process links Budget and the SDBIP. Below is the process flow that links Planning, Budgeting and SDBIP.

#### 9.8.2. Cascading of Performance Management System to Lower Levels

Performance Management System is not yet cascaded to levels below Sec 54/56 Managers, however upon finalization of the automation system the Municipality will be assessing all employees.

#### 9.9. SWITCHBOARD OPERATION

The switchboard is based on the DCO Office only. It does not control lines in the traffic and civic centre. There is a need to create telephone lines in the civic centre.

### 9.10. LEGAL SERVICES

Collins Chabane Local Municipality has established a Legal Services Unit/Division to render legal advice. Empirical evidence of constraints confronting the Municipality from its Legal Services Unit/Division include persistent litigation with cost implications. Such litigation has as its chief causal factors, among others, the following:

The revolution of rising expectations on the part of inhabitants of the jurisdictional area of the Municipality – cases in point being expectations by many people to be appointed as employees of the Municipality and often followed by institution of legal proceedings by unsuccessful job applicants; and

The increasing litigiousness of a significant portion of the population within and outside the jurisdictional area of the Municipality. Imperatives of neo-constitutionalism have since turned most South Africans nationwide to be adept at converting any issue into legal issues for adjudication by the courts.

### 9.11. MUNICIPAL TRANSFORMATION AND ORGANISATIONAL DEVELOPMENT CHALLENGES

Table 9.11.: Municipal transformation and organisational development challenges

The Individual Performance Reviews for Section 54/56v not yet conducted

192

Vision: "A spatially integrated and sustainable local economy by 2030"

The Municipality not yet started with cascading Performance Management System to level below Section 54/56 Managers

High rate of vacancy

Underutilization of the training budget due to a majority of the employees were general workers.

Unresolved labour cases

Placement of Vuwani staff not complete

No appointment letters for 16.1 & 16.2

No appointment for health & safety representatives

No health & safety induction done for general assistance

No first aiders and first aid kits ins

No OHS inspections & workshops done

# **SECTION B: STRATEGIC PHASE**

# **CHAPTER 10: STRATEGIES**

#### 10.1. BACKGROUND

Collins Chabane Local Municipality held its Strategic Planning Session from the 4<sup>th</sup> to the 7<sup>th</sup> December 2020 at Tzaneen Countyry Lodge. Stakeholders that constituted the session ranger from Traditional Leaders, Portfolio Head, Municipal Manager, Senior Managers, Managers, Sector Departments and officials to discuss on the future development direction.

The purpose of the Strategic Planning was to highlight on the Situational and Needs Analysis for Collins Chabane Local Municipality and come up with strategies to ensure service delivery and the prioritisation of services to address community needs within the jurisdiction of the Collins Chabane Local Municipality.

Collins Chabane Local Municipality's vision, mission statement and strategies were received and no changes were made. These are still to fulfil objectives of service delivery through the Integrated Development Planning. Strategies were developed on how to address all the needs on f the Communities, by prioritising them and came up with projects. The Municipal SWOT analysis was reviewed to project the status quo of the Municipality.

# 10.2. COLLINS CHABANE LOCAL MUNICIPALITY STRATEGIC INTENT

# MUNICIPAL VISION, MISSION, VALUES AND STRATEGIC OBJECTIVES

### **VISION**

"A Spatially Integrated & Sustainable Local Economy by 2030"

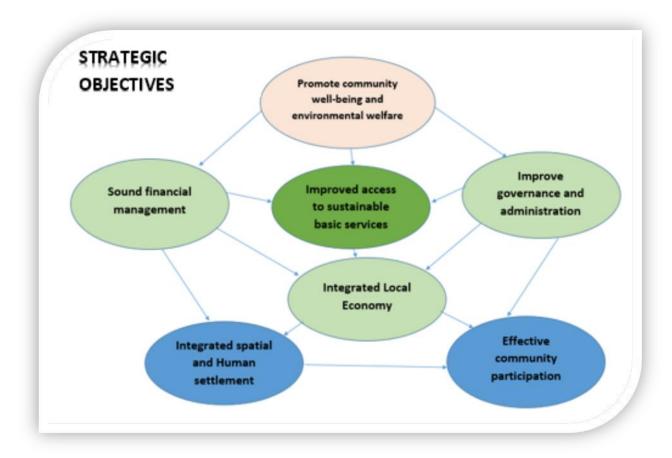

#### **MISSION**

To ensure the provision of sustainable basic services and infrastructure to improve the quality of life of our people and to grow the local economy for the benefit of all citizen

# **VALUES**

Transparency, Accountability, Responsive, Professional Creative integrity

|--|---|--|---|--|---|
| KEY ISSUES   | SHORT TERM  | MEDIUM TERM  | LONG TERM   | PROGRESS   | INTERVENTION  |
| Incompleteness of data   | Data Cleansing  | In progress  | In progress   | Data cleansing to be completed by the end of January 2021 in Malamulele. Challenges in Vuwani. | -Listing of households in Malamulele which could not be verified. Obtain Ward councillors/ ward committee/community structures interventions.  -Liaise with Planning Department for registering title deeds (households).  -Liaise with Legal for deceased properties.  Same process in Malamulele be applicable in Vuwani. |
| Incorrect Tariffs  | Correct tariffs are enrolled into Munsoft.  | Tariffs-completed  | Completed   | Completed  | Not required. Tariffs are approved during budgetary process.  |
| Incomplete billing (Some area e.g. Malamulele EXT B not billed). | Linking of information<br>and reconciliation of<br>valuations rolls with<br>the billing system. | Billing-completed (Malamulele Ext B not complete and other places) | Incorporation of<br>Malamulele Ext B<br>into Valuation Roll | In progress  | -Has the municipality done an awareness campaign? Council may waive payment for registration only when we have tried other means.  -Planning should assist with proclamation of the area. (Including areas which are not proclaimed increases the debt book).   |

|                  |                            |   |  | -Awareness to the community on the pros and cons of registration.   |
|------------------|----------------------------|---|--|---|
| Low revenue base | Expansion of revenue base. | Other departments-integration of strategies | Inter-departmental Forum established, not yet functional (BTO, Planning and Community Services). | -Government infrastructure located in villages like schools and clinics (include in valuation roll). Community Services and Planning intervene, facilitate the process of registering/transfer of government properties. Planning allocate a dedicated person to do so.  - Meeting with Rural Development and Public Works- include in the agenda/letter by municipality to Public Works.  -Extend refuse removal in rural areas. |

# **SECTION E: APPROVAL PHASE**

# **CHAPTER 13: DRAFT AND FINAL IDP APPROVAL**

#### 13.1. DRAFT IDP

According to Municipal Systems Act (no. 32 of 2000) Section (30) (c) The executive committee or executive mayor of a municipality or, a committee of councillors appointed by the municipal council, must submit the draft plan to the municipal council for adoption by the council.

The 2021/22 (Draft) IDP was tabled to portfolio committee where the Mayoral committee and Council adopted it during the month of March 2021. After the adoption of the draft document, the Municipality started with the advertising process of the Public Participation and also the publication of draft document on the Municipal Website, Local News Papers as well as the Local Radio Stations for comments for 21 days for the public to comment.

#### 13.1.1. Draft IDP and Budget Public Participation

According to MSA, Section 16 (a): The Municipality must encourage, and create conditions for, the local community to participate in the affairs of the municipality, including the preparation, implementation and review of its integrated development plan.

#### **Approval Phase Public Participation Schedule**

| DATE           | VENUE                          | WARDS   | TIME  |
|----------------|--------------------------------|---|-------|
| 15 April 2021  | Saselamani Library             | 27, 28, 29, 30, 31, 32, 33, 34, 35 & 36         | 10H00 |
| 16 April 2021. | Njhakanjhaka Community<br>Hall | 1, 2, 3, 4, 5, 6, 7, 8, 9 & 10                  | 10H00 |
| 19 April 2021. | Malonga Sports Ground          | 11, 12, 13 & 14                                 | 10H00 |
| 20 April 2021. | Malamulele Boxing Gym          | 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25 & 26 | 10H00 |

The Public Participation Sessions were inclusive of major stakeholders in the municipal area.

The session was an implementation of the IDP/Budget/PMS process plan for the 2020/21 IDP Review Process.

#### 13.2. ADOPTION OF THE FINAL 2020/21 IDP

The adopted Draft IDP will be tabled to the Portfolio Committee and also to EXCO then to the Mayoral Committee and Council for Adption. The Final 2020/21 IDP will be adopted during the Month End of May 2021 with council.
