

Municipality visits family of 11-year-old boy who drowned at Rivubye/Livuvhu river.

A delegation from the Collins Chabane Local Municipality led by Mayor Moses Maluleke visited the family of the 11-year-old boy who drowned following floods caused by heavy rainfall.

The young boy had visited his relatives for a funeral service at Gandlanani village. The family realized during the course of the day that the young boy didn't come back.

The Mayor accompanied by executive committee members visited the family to personally convey his sincere and heartfelt condolences to the bereaved families.

“The Municipality and the community of Collins Chabane are devastated by this painful incident. We would like to convey our condolences; our hearts pour out to the family to find strength during this difficult time.
