SUBJECT: Warning about a jobs for sale scammers.

The Collins Chabane Local Municipality would like to warn and alert community members of scammers who are either calling or approaching people asking them to pay a sum of money in exchange of jobs at the Collins Chabane Local Municipality.

The Municipality would like to advise community members that jobs are not for sale at Collins Chabane and at no stage should a person pay any amount for whatever reason in order to get a job.

Collins Chabane Local Municipality always invite job seekers to apply for a variety of vacant positions and that is done through legitimate channels and processes.

Even post applications, we always advise our community members to never indulge anyone who calls them for interviews in exchange for money until the Municipality calls them.

If at any stage community members come across such swindlers, we request them to swiftly report them to the police or alert Municipality officials.

The Municipality will immediately work with to law enforcement agencies to ensure that such unscrupulous individuals who take advantage of community member's desperation for employment are brought to book and successfully prosecuted.
